Result of Dental Clinic Held in Farmville.

During the week ending June 14th, the free Dental Clinic held at the Farmville Graded school building by Dr. A. M. Schultz, of the State Board of Health, proved of great value to children of this district.

There were seventy-four children examined during the week, forty-eight of whom were treated; the other twenty-six needing nothing done.

The amount and class of treat-

ment given during the week are as follows:
Amalgam fillings..... 111
Cement fillings..... 9
Guttapercha fillings..... 2
Abscesses treated..... 5
Teeth extracted..... 33
Children's teeth cleaned..... 40
Treated for pyorrhea..... 1

A conservative estimate of the total cost of the above work if done in a private office would amount to \$328.50

Supt. G. R. Wheeler, of the Farmville Graded school, who was instrumental in securing this work, informs us that he hopes to be able to have Dr. Schultz return for another week the latter part of July.

**Life
Was a
Misery**

Mrs. F. M. Jones, of Palmer, Okla., writes:
"From the time I entered into womanhood... I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain."

"It has now been two years since I took Cardui, and I am still in good health. . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.
