### Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood... I lunched with death from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. Nothing seemed to help me until, one day, I decided to

TAKE

# CARDUI

The Woman's Tonic

"I took four bottles, Mrs. Jones goes on to say, and was not only greatly relieved, but can truthfully say that I have not a pain."

"It has now been two years since I took Cardui, and I am still in good health. I would advise any woman of age to use Cardui who is a sufferer from any female trouble."

If you suffer from nervousness, headache, or if you feel the need of a good strengthening tonic to build up your nervous system, take the Cardui of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

### WITHDRAWAL OF PICKETS IS NEW STRIKE POLICY

Chicago.—Union pickets were withdrawn from the streets of Gary and Indiana Harbor, Ind., today for the first time since the start of the steel strike six weeks ago. Workers entered the great steel plants unopposed. Co. W. S. Mages, commander of the troops in Gary, is investigating letters he obtained urging the strikers to "lay low" until the troops are recalled.

### CAPTAIN OF LUSITANIA WAS WARNED AGAINST HEADLANDS

London.—Secret evidence in the inquiry into the sinking of the Lusitania, made public in a parliamentary paper, reveals that Captain Turner had been warned by the admiralty to avoid the headlands on approaching the coast. Turner testified in the inquiry that he was justified in coming within ten miles of Old Head of Kinsale (near where the Lusitania was torpedoed), in order to fix his position.

### MEXICO NOT TO BE ASKED TO REFUND RANSOM MONEY

Washington.—Mexico will not be asked by the American government to refund the \$150,000 ransom money which counsel for William O. Jenkins, American consular agent at Puebla, paid for release of Jenkins. Officials said they could not conceive of the American government paying a ransom in the event of capture at a foreign country should be kidnapped in the United States and held for ransom.

### You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, listlessness, nervousness and dizziness. GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value. GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood. The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, John would face a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 50c per bottle.
