BAPTIST REVIVAL CAMPAIGN TO BEGIN SUNDAY

Evangelist Stevens is Expected to Arrive Saturday Afternoon January 7th.

HOURS OF SERVICES

Sundays 11:00 A. M. and 7:30 P. M.; Week Days 3:00 and 7:30 P. M.

Every thing is in readiness for the two weeks Evangelistic campaign in Farmville under the auspices of the Baptist church beginning Sunday Jan. the 8th.

In Rev. T. Herman Stevens superintendent of the Department of Evangelism of the Baptist Mission Board in North Carolina the local Baptist leaders have secured one of the very best men to lead in this series of services.

By Educational and spiritual training and by practical experience he is well qualified to lead in a great meeting. Those who have heard him bear testimony to his earnestness, his loyalty to the Bible as the inspired Word of God and his consecration to the one God given purpose to win lost souls. The purpose of the local church in launching the campaign is to deepen the spiritual life of the church to raise the standard of righteousness in the town and community and to strive to win the unsaved to the Lord Jesus Christ.

The Ministers and other church leaders of the town and christian people are most cordially invited to co-operate in the meeting and to participate in the blessings and fruit of the same. Music will occupy an important place in each service. The members of the church choir and singers who are not members of a church choir are invited and urged to occupy seats in the choir which will be under the leadership of the pastor of the church.

It is hoped that many people from the country and near by towns will share in this feast of spiritual service. A very cordial invitation is extended to everybody to attend.

Those in need of Truck Hauling see J. W. Hardy, or phone 123, Farmville. Prompt service and reasonable prices. 4-12p

FOR SALE—"Improved Willow" Tobacco Seed, 35c no ounce. Address R. T. Sugg, Grower, Box 66, Snow Hill, N. C., or purchase from Farmville Feed & Supply Co. 1-14-29

NOTICE

On account of installing new fire alarm system people are urged to call operator at central office in case of fire who will re-arrange to light plant.

In reporting fire be sure to tell operator where fire is located to avoid delay of Fire Co.
