**THE NEW YEAR**

The Board of Directors of the Pitt County Chamber of Commerce wish to express their appreciation for your loyalty during 1921 and earnestly request your untiring efforts during the New Year. It is our desire that each of you shall have the best year of your life.

**WHY PRESIDENT HARDING JOINED HIS CHAMBER OF COMMERCE**

President Harding made the following statement in regard to his membership in the Marion, Ohio, Chamber of Commerce, which is worthy of consideration of every business man:

"I do not know if I ever asked myself why I joined the Chamber of Commerce, but I assume it was because I was in the newspaper business, committed to the policy of ever-increasingly bettering our home town, and we looked upon a Chamber of Commerce as the best organized agent for carrying on the work. It all came very naturally to me because of the general atmosphere of a newspaper office, which is ever concerned with the progress and development of the community which the newspaper seeks to serve."

"If I were in a different business with the newspaper business, I should assume I would be attracted to a Chamber of Commerce because business is the life blood of material existence and no community is worth while unless it is very alert to business progress and greater commercial development."

"I like to think that the thing which binds the community is certain to make progress for the nation, and I should like our Republic to head the list of great commercial nations of the world."

**Notice to Tax Payers.**

The taxes for 1921 are now due and you can pay your tax at either the Citizen Bank or Bank of Farmville.

For all taxes paid in Dec. you will be allowed 1 per cent discount. In the month of January you will pay the net amount. In Feb. there will be 1 per cent penalty. March 2 per cent penalty. The penalty will increase 1 per cent each month. This is the law of N. C. regarding the collection of taxes and will be strictly enforced this year.

S. E. Dudley, Sheriff  
Pitt County.
