Preparations, Will Begin Immediately Upon Conclusion of the Washington Negotiations.

Washington .- The ground work for another international conference to rewrite the laws of war for the submarine and other new agencies of attack on land and sea, was completed by the arms delegation.

Under a resolution adopted by the armament committee, preparations for the new conference will begin limmediately upon conclusion of the Washington negotiations. The United States, Great Britan, Japan, France and Italy will be represented, and the American government will select the exact time and place of meeting.

The first step toward revision of warefare segulations is to be taken by a "commission," presumably composed of international law experts without plenipotentiary powers, but the resolution provides that after they have agreed the five governments shall "confer as to the acceptance of the report and the course to he followed to secure the consideration of its recommendations by the other civilized powers." It is taken for granted. that questions of national policy as well as legal considerations will enter into the final decisions reached, and that the whole problem of the submarine, one of the storm centers of the Washington conference, will be reopened when the powers face each other once more about the council table. It is possible that the tentative agreements reached here both as to submarines and poison gas will be passed along in their present form to provide a basis for the renewed discussions. The armament committee adopted (the resolution at a short meeting called while most of the other activities of the conference were waiting on a decision of the Shantung controversy. The far eastern committee likewise met and readopted its recent declara-

CALOMEL AT

**OU BAN** 

The next dose of calomel you take may sellvate you. It may shock your liver or start bone necrosis. Anlomel is dengerous. It is mercury, quicknilver, It crashes into your bile like dynamite, cramping and sickaning you. Calomel attacks the hones and should never be put into your system.

If you feel billous, headachy, censtipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few certs which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making
