

FARMVILLE ENTERPRISE
Published by the Rouse Primary

Entered in the Post Office at Farmville, N. C., as second class matter.

FRIDAY APRIL 7, 1933

When it comes to winning Silver Loving Cups FARMVILLE is right there with the goods. The Farmville Graded School walked away from other schools of the county in the Literary Contest at County Commencement exercises held in Greenville Monday with sixty-two points to its credit, while the next nearest contesting school only scored nineteen points. Our people should feel proud of this record which in itself speaks loudly for the excellent training the children of the Farmville school district are receiving.

Farmville Rotary Club Gives Prizes.

At its meeting Tuesday evening, the Farmville Rotary Club voted to give each of the winners of the Farmville School in the County Commencement exercises a token of their appreciation of the wonderful record they made, and appointed Supt. APPLICATION OF CARBON

IN DEER COUNTY

Application will be received at the office of the Register of Deeds, Raleigh, N. C., for the purpose of recording the same.

TO THE VOTERS OF PITT CO.

As a candidate before the Democratic Primary for State Senator, I have been asked concerning my position on several matters. I have, therefore, deemed it proper to make the following statement.

I favor rigid economy and care in the expenditure of County funds. I am against the issue of any more County bonds for any purpose, unless the issue for a specific purpose is directly voted on by the people of the County. I favor the revaluation of County property and the reduction of tax rate, as county taxes are both burdensome and oppressive. Valuations should be appraised by three freeholders of high standing in each township. I favor the appeal of the Judge's pension act. Such special privileges have no place in a democracy. These pensioners should give way to the worthy and intemperate Confederate Soldiers.

Solicitors should be paid no salary. I favor the repeal of the act increasing the Solicitor's salary for Pitt County. I favor increasing pay of all lawyers to \$300 a day. I favor the paying of witnesses \$3.00 a day and that in case of compromise the plaintiff and defendant shall be taxed for witness fees. I favor the payment of \$1.00 a day to the wife and dependent children, under ten years of age by the State or County of each person convicted and sent to the State's Prison or County Jail.

These are some of the measures I advocate and I will appreciate the support of the Democrats of the County in nominating me for State Senator.

IS YOUR HEALTH GRADUALLY SLIPPING?

Interesting Experience of a Texas Lady Who Declares That if More Women Knew About Carbit They Would Be Spared Much Sickness and Worry.

Norcross, Texas.—Mrs. W. M. Peden, of this place, relates the following interesting account of how she recovered her strength, having realized that she was actually losing her health:

"Health is the greatest thing in the world, and when you feel that gradually slipping away from you, you certainly sit up and take notice. That is what I did some time ago when I found myself in a very nervous, run-down condition of health. I was so tired and felt so listless I could hardly go to sleep.

"I was just too tired for work. I would get a bucket of water and would fall to work I would have to get it done before I hit the bed. I felt like I was in a state of collapse.

I couldn't rest well at night and was just listless.

"I heard of Carbit and after reading I decided I had some female trouble that was putting me down. I went for Carbit and began to use it.

"In a very short while after I began the Carbit Home Treatment I saw an improvement and it wasn't long until I was all right—good appetite, regular sleep and much stronger so that I could do my home work.

"Ever since I took a bottle of Carbit as a tonic, I am recommended Carbit and probably the best for all women's troubles. It would save a great deal of worry and expense.
