FORCE EUROPE TO PAY.

Why the public does not rise on its haunches and burst into a roar of laughter that would echo around the world when suggestions are made that Uncle Sam should cancel Europe's war debts, like the wisdom of the Lord passeth understanding.

Last year the easy Americans paid Germany \$960,000,000 for worthless marks. As fast as German printing presses could turn out the financial junk good American dollars were poured into Germany to bring them to the land of the free.

In addition to this stupendous folly American tourists spent in Germany \$750,000,000 which foots up just about 13 per cent of the entire war debt. And the end is not yet.

American money is even now turning the wheels of German industry. American brains are even now working to help solve the German national problem.

This year American children will play with German toys to the exclusion of toys of American manufacture.

Summed up, America stands today the world's great easy mark. Charged with being a nation of dollar worshipers, we find ourselves the easy victims of every shrude European trickster and governmental propagandist.

It is time we put a definite end to serious consideration of debt repudiation.

Now is the time to talk real strict accountability.

Let Washington announce that Europe to the last nation must pay her debts, and to the last farthing.

Peace-Time Patriotism

We offer our services in the redemption of your

WAR SAVINGS STAMPS

which will be due January 1st, 1923. Bring us your stamps, we do the rest.

The American people were fairly started on the road to

NATIONAL THRIFTNESS

during the war. They learned how to get along without a good many things that had heretofore been considered necessary, and many who had never before managed to lend money to the government.

It is to be hoped that the people will not forget the Wars Lesson of economy and thrift, and that those who have fallen back into the old ways of extravagant living will soon come to realize that patriotism can be exemplified as well in Peace as in War. Patriotism demands Thrift. Our Savings Department offers real advantages to the Saver.
