Perhaps you never realized that a Bank Book is a book of songs.

Every depositor who has one of those highly prized books in his possession can tell you that just to leaf it through and see column after column of dollars saved makes the heart sing with joy.

A dollar starts a saving account and gets you one of these books of happiness. Every dollar saved and entered in it will add another note to your hymn of happiness.

MUSICAL CONCERT FRIDAY EVENING GREAT SUCCESS.

The Musical concert presented at Perkins' Hall last Friday evening by the Woman's Club, Mrs. J. M. Hobgood, president, was a decided success from every standpoint.

Mr. Ed. Stallings again proved himself to be an artist and master of the violin. With exquisite tone and brilliant technique he played the fine classical. He was generous with his encores, especially thrilling the audience with his own arrangement of "The Rosary."

Mrs. Eugene Davis was a splendid and sympathetic accompanist, furnishing a harmonious background for the lovely tones of Mr. Stallings' violin.

The choruses rendered by the Choral Club, under Mrs. J. M. Haggood's direction, were enjoyed by all. The Club gave an artistic interpretation of the numbers, a precision of attack and release, and delicate phrasing which was especially commented upon.

The Woman's Club extends thanks to all those who were so kind in helping, especially Mr. G. A. Rouse, Editor of The Farmville Enterprise, who generously gave an advertising space and program.

The proceeds, \$91.25, have been applied toward the purchase of a piano, an M. Schulz Grand, which was used on the night of the concert, thru the courtesy of Mr. T. E. Joyner and Mr. Ezra Wyatt of The Farmville Furniture Company.

"NOTHING BUT THE TRUTH" EVERY ONE NEEDS TO SEE IT.

A clever comedy, "Nothing But The Truth," produced by special arrangements with Samuel French, of New York, will be given in the Hookerton school auditorium on Friday evening, February 11th, at eight o'clock, by members of the P. T. Association. This is a professional play which was first performed in New York City where it had a very enthusiastic reception. If you miss this comedy, you will fall to get the biggest laugh of the season.

R. J. Lough, as Ralston the business man, will make any audience scream when he plays golf on "Sunday" and gambles in the market. See him!

Van Dusen (N. F. Palmer) is the loser of all the money for which he gambles. Mrs. Ralston (Mrs. H. Hardy) nearly divorces her husband, due to the misunderstanding caused by the "Vanderbilt Girl" Mable and Sable Gwyn, (Mollie Hughes) the heroine, captivates every one with her smile and her romance with Bob Bennett, (B. L. Rhyne) the young financier, who tells "Nothing But The Truth." Learn the lesson from him. This plot could not be completed without the aid of Dick (H. S. Taylor) and the Bishop (R. J. Mallick) who find their money mixed up with the same woman with girls. See how the truth came Ethel (Christine Holiday) out.

Don't miss the life of the season.

"It has been my pleasure for eight years to use 'AA Quality' Fertilizer. For cotton, corn and peanuts, the principal crops grown in this section, I have never found a fertilizer that gives as good results as yours. I expect to continue using it."

—E. W. Nettlet

Ivor, Va., Dec. 15, 1926

"For several years I have used 'AA Quality' Fertilizers on all crops grown in this section with excellent results.

"Last spring I hesitated in buying on account of several other brands being offered at prices lower than yours. I finally decided to use 'AA Quality.' I planted 12 acres in cotton, 90 acres in peanuts and 83 acres in corn. The results from these crops proved that I made a wise decision."

—John A. Ramsey, Jr.

Why not make every crop on the farm a money crop?

FARMERS who are making the most out of their farms make money on every crop.

It doesn't cost much more to plant, cultivate and harvest big, heavy, quality crops from every field than it does to get only one or two good crops.

The use of high-grade fertilizers makes the profitable difference in yield per acre, in crop quality and a most welcome difference in the bank account.

See the man in your community who handles "AA Quality" Fertilizers. He will tell you why there is a special "AA Quality" Fertilizer for every crop. He will show you why an investment in "AA Quality" Fertilizers is the most profitable one you, as a profit-seeking farmer, can make.

"AA Quality" Fertilizers are made of the finest materials obtainable. The ingredients are so scientifically prepared, so thoroughly blended and cured that they are always in perfect condition. Backed by sixty years of experience. Proved by thousands of tests. Guaranteed by an unbroken record of crop successes.
