They were there from Ayden, Round Tree, Fountain, Palkland, Farmville, Winterville, Greenville, Stokes and the Creek Road This demonstration according to County Agent Arnold will be worth upwards of \$100,000.00 next year. Tais estimate is based on the fact that an average of \$125.00 increase per acre was obtained last year by the use of Cash tobacco alone and practically every farmer present put in a request for seed next year. In addition to the use of cash tobacco the ridge method of cultivation was gone into as well as the proper balancing of fertilizer which if put into practice will add to the farmers income.
