To the farmers who come to

When a farmer leaves his streets. Soon they are at their destination, where obliging men see to it that they are well taken

The warehouses all have large, cordial welcome on the part of clean, comfortable sleeping quarters where the farmers can

After the tobacco has been sold there are banks in the city is in no half hearted way either that are willing to serve the inthat they are backed but with a terests of the farmers who sell tobacco. They are always obliging and courteous, and do business upon a basis of fair dealing that is a great help to those who sell and trade in this city.

Farmville's merchants are progressive and their stocks are fully up to the standard in every respect. A farmer and his iere with articles that exactly fit their needs. The stores carry everything that the trade will call upon them to supply.

And finally Farmville's people her business people and the ones with whom the farmers will come in touch, are affable and willing to oblige. They have a kindly feeling for the farmers of this section, for their prosperity is linked with the prosperity of the farmer people. Most of Farmville's business men are farmers who have left the farm and engaged in the business year. The duties of each warden in sphere of life, and their feelings connection with the game laws were are nothing but kindly toward those who live in the country. Farmers in Farmville are o the list of cooperating counties in among friends and neighbors District 4. Greene and Wilson each who wish them well, and are alprinte \$500.00 for fire fighting ways ready to pass the good word and help them along when
