

Layoff Cost Ford Two Hundred And Forty Million; Only A Starter: Mammoth Loss Felt Throughout Middle West.

Detroit, Mich., Oct. 26 .- Henry Ford, who built from low priced automobiles the greatest personal fortune in the worlds history, has set another record this year, a record for The first to feel the are is that o losing money.

Since the middle of May, when Ford, deciding that the time honored Model T would have to give way to an entirely new car, shut down his plants and abruptly stopped productoin, he has taken a paper loss that reaches the stupendous total of more than \$2-0,000,000.

No advision but Ford could have done it. No one without Ford's enormous resources could have entered that amount on hs books as a loss and contnued to plan for the future on an even larger spile than before.

kat orders up me have given him a kota and McMaster of South Dakota. book loss of \$32,000,900 a month.
