### LUNCHEON SHOWER

Mrs. Albert Coy Monk, Jr., graciously entertained on Monday at a luncheon shower, honoring Mrs. George Moore, Jr., a recent bride.

Tables were laid for forty guests whose places were marked with miniature baskets of mints in yellow and rose. At one o'clock, a barbecue luncheon was served by Misses Ruth Hayes Turnage and Anne Buchart. The dessert course consisted of ice cream with angel cake in green and white motif.

Following this, Mrs. Moore, the honoree received a telegram telling of the many lovely showers of blessings awaiting her in the music room. The gifts were attractively arranged on a table under a tiny blue silk umbrella suspended from the center of the room and showered with white ribbons.

Miss Serene Turnage played during the opening of the gifts.

As a good American why not try to understand the problems of other areas and thus help the nation, as a whole, solve its problems?

# Plus-Powered Kelvinator

**FACT 1**

The new Kelvinator is Plus-Powered. It has as much as double the cooling capacity of other well-known refrigerators of equal size.

**FACT 2**

The new Kelvinator runs only half as many minutes per day — during the rest of the time it maintains low temperatures using no current at all.

Only Kelvinator gives you all these advantages

- BUILT-IN THERMOMETER... Kelvinator's plus power assures safe refrigeration temperature — always... The built-in thermometer proves this.
- RUBBER GRIDS IN ALL ICE TRAYS... Kelvinator's plus power gives abundant reserve capacity to provide as much ice as you'll ever need.
- CERTIFICATE OF LOW OPERATING COST... Kelvinator's plus power assures less running time each day... only Kelvinator gives you a Certificate of Low Cost of Operation.
- 5-YEAR PROTECTION PLAN... Kelvinator's plus power unit runs less time at slower speed — more dependable service — certified with a Five-Year Protection Plan.

THESE are the two outstanding facts about the new plus-powered Kelvinator.

Their importance is recognized by many refrigerator owners who are now replacing their old equipment with the 1937 Kelvinator.

For they mean better cooling and faster freezing . . . many years more of service . . . greater money savings, day after day, year after year.

Yet Kelvinator costs no more. And it's easy to buy. See how small the weekly payments are, giving you years to pay. Why not let Kelvinator start saving money for you at once? Come in and see it today.
