SAVE A LIFE; DRIVE CAREFULLY

Charlotte, N. C., June 16. - The third annual Safety Sabbath program sponsored by the Carolina Motor club will be carried out in hundreds of churches throughout the Carolinas on July 3.

A. M. Huggins, safety director of the club, invites ministers of every creed and set, the press, radio, public officials and civic organizations of North and South Carolina to be co-sponsors with the Carolina Motor club for the third time in this life saving movement.

When the Safety Sabbath was launched in 1936 the program was held on June 28, the Sunday preceding July 4, in an effort to curb the high accident and traffic fatality toll that usually mars the nation's birthday each year.

Last year the program was carried out April 18, just prior to the opening of the Spring travel season. On this second Safety Sabbath a single death was recorded.

"In 15 years of war there have been 244,357 casualties, compared with 441,912 traffic deaths in 15 years of peace," Mr. Huggins pointed out. "In war our soldiers die for a purpose; but what purpose can there be in killing those hundreds of thousands on our highways? Truly this traffic slaughter is worse than war."

"Public sentiment is the most rapid and surest method of curbing this toll. When an atmosphere of disapproval is thrown around careless and reckless driving and adequate appreciation is shown those who observe the laws of safety and show proper regard for the rights of other highway users then traffic accidents and deaths will decline. Ministers have in the past and will continue to exert a most powerful influence in molding public sentiment."

Announces Winners Of Washington Trip

Selected on a basis of their outstanding records, four North Carolina 4-H Club members will be awarded a trip to the National club encampment in Washington, D. C., June 16-22.

Winners from among the State's 45,000 club boys and girls were: Oland Peels, Wayne County; Elizabeth Randle, Cleveland County; Louise Bunn, Edgecombe County; and Roger Pollock, Jones County.

Eighteen-year-old Miss Randle made her most outstanding record in clothing. However, she completed two canning projects, one room improvement project, two wildlife projects, and a library project in 1937. Not only has she excelled in her leadership activities and her project work, but she has also shown talent in dramatics, public speaking and drawing.

Miss Bunn, also 18, has held the highest offices in her local club and in the county council and federation in her seven years of club work. She has completed projects in foods, clothing, room improvement, home beautification, gardening, and for two years served as a local 4-H Club leader.

Young Peels, 17, did his most successful work with swine. Beginning in 1931, he has raised prize pigs which have captured many awards at county and State fairs. His total profits from club work have amounted to \$1,341.25.

Seventeen-year-old Pollock has carried on various projects since joining a 4-H Club in 1931. His chief work has been with pigs, corn and cotton. During that time, he has made a \$1,174.75 profit from his enterprises.

MANY HIGHWAY ACCIDENTS ARE NOW AVERTED

New Safety Device Turns Blow-out Into Slow Leak, Allows Driver To Come To Safe Stop. Doing its full share toward lessening the appalling total of highway injuries and fatalities is a device recently put on the market by The Goodyear Tire and Rubber Co.

"The new device is the Life Guard, which consists of a reserve fabric tire within a conventional tube, and in effect, it turns the worst blow-out, no matter at what speed, into a slow leak," explained W. C. Wooten, manager of Farmville Service Station, local Goodyear dealer.

Other officials connected with the trial of the parolists also recommended clemency.

WHO BUYS THE FINEST TOBACCO? I KNOW BECAUSE I'M A TOBACCO PLANTER. FOR YEARS, AT AUCTION AFTER AUCTION, CAMEL HAS BOUGHT MY FINEST TOBACCO. LAST YEAR CAMEL PAID ME HIGHEST PRICES. I SMOKE CAMELS BECAUSE, TO ANY WAY OF THINKING, THE COMPANY THAT BUYS THE FINEST GRADE OF TOBACCO IS BOUND TO PUT OUT A FINER CIGARETTE. MOST PLANTERS FEEL THE SAME. Mr. Wells speaks for many tobacco growers when he says: "Most planters smoke Camels because they know the finer grades of tobacco bought for them." And as men who know tobacco, they know that Camels' FINER, MORE EXPENSIVE TOBACCO makes a world of difference in smoking pleasure. Try Camels. DAVID ELMER WELLS gives you a mighty good reason for smoking Camels. "WE SMOKE CAMELS BECAUSE WE KNOW TOBACCO" TOBACCO PLANTERS
