REENLISTMENT TIME EXTENDED TO NINETY DAYS

A new opportunity for Army veterans to reenlist and retain their former grades is offered by important changes in regulations announced by the War Department, Lt. James B. Pagett, Recruiting and Inductance Officer of the Greenville Station, stated today.

Previously, veterans had only 20 days from date of discharge to reenlist in the grade held at time of discharge. However, new regulations allow ninety days after the discharge date to reenlist in grade, provided enlistment is effected prior to July 1, 1946.

The change in reenlistment regulations was made after it became apparent that veterans desired more than twenty days to make up their minds about continuing their Army careers. Ample time is now given to weigh the opportunities for education, travel, recreation, and security, with retirement pay at the completion of twenty years' service, offered by the Peace-time Army.

Men reenlisting in the Army within ninety days after their discharge will receive the same reenlistment allowances as heretofore, but in order to be eligible for a reenlistment furlough, the veteran must reenlist within twenty days, as under the old regulation.

Family and dependency allotments are continued for the duration of their enlistments for all the veterans reenlisting before June 30, whether they reenlist for eighteen months, two years, or three years. In order to have their choice of the branch of service and overseas theatre, men must enlist for the three year period.

Elaborating on the general success of the recruiting program, Lt. Pagett stated that the majority of veterans are reenlisting for a three-year period in order to have their choice of assignment.

Activities Of Women In Church Groups

The Episcopal Woman's Auxiliary met with Mrs. T. S. Ryan as hostess, Monday afternoon, and with Mrs. James E. Lang, the president, presiding and conducting the devotional.

During the business proceedings, Mrs. W. E. Burnette announced that the "World Day of Prayer" material had been received and that the community program, with this group as leader, would be presented in the Baptist Church, on Friday, March 8. The Auxiliary, at this time, voted to send a contribution to the Pikeville Church, which has been damaged recently by fire.

Mrs. Burnette had charge of the program and developed the subject, "Rebirth In Europe," with a discussion of the destruction of the church buildings and the disorganizing of congregations during the war, and enumerated the objectives of the unified efforts of churches in the United States to restore Christian service in Europe. Among these were: reorganizing congregations; rebuilding structures, restoring the ministry, providing literature, promoting evangelistic campaigns, reconstruction of Christian Youth Movement, home missions, replacing missionaries and rendering Christian Home Services.

Plans were laid at this time for a special mission study meeting, to be held on February 25, with the rector, Rev. J. R. Rountree, in charge.

The Episcopal Altar Guild met with Mrs. T. S. Ryan, on Tuesday evening, at which time the Rev. and Mrs. J. R. Rountree, were given a cordial welcome as special guests.

Mrs. John D. Dixon, directress, presided, and gave an inspiring meditation, which was followed by the opening ritual.

A business session was featured by discussion of needs of the local Church and plans for meeting same.

Delicious individual pecan pies and coffee were served during the social hour.

Circle 4, of the Methodist Woman's Society, met at the home of Mrs. Mary Russell, Monday afternoon, with Mrs. Nussie Barrett as joint hostess.

Mrs. C. E. Hozing presided and Mrs. R. E. Clegg conducted the devotional, which was based on the second phase of the "Crusade for Christ" movement, which is stressing evangelism in this second year of its inauguration—the complete program will cover a four year period.

Mrs. Clegg read Psalm 15 and emphasized individual effort in evangelism in developing her subject, "What One Methodist Can Do."

Mrs. Pearl Johnston, program leader, talked on the subject, "What the Negro Wants From America," and listed these as: good schools for children, equal working opportunities, justice in the courts, equal protection of law, playgrounds, clean streets, the right to vote on conditions that apply to other citizens, access to all civic improvements, provided by public funds such as health facilities, sanitation, park and playgrounds and clean streets.

Mrs. Johnston commented also on an article taken from the Advocate relating to the outstanding opportunities offered Negro girls at Bennett College, Greensboro.

The hostesses served delicious fruit gelatin, pineapple and chocolate cake and iced nuts. Special guests were Mrs. T. W. Lang and Mrs. S. G. Gardner.

The Wesleyan Guild met at the home of Mrs. Ed Owens, on Monday evening with Miss Bertha Joyner Lang presiding in the absence of the president. Mrs. Stewart Suggs brought the devotional thought for the meeting.

Miss Bettie Joyner, program leader made a splendid discourse on the current missionary topic, "Africa," after which, members discussed the sending of delegates to the Wesleyan Guild Conference to be held in Burlington, March 9-10.

Red Cross Names Wagner Campaign Chairman For 1946

1946 Fund Campaign To Get Underway On March 14th

At an informal meeting this week at Red Cross Headquarters in Greenville, the Executive Board, Directors, and other active leaders of the Pitt County Chapter of the American Red Cross accepted the quota of \$16,000 suggested by the National Headquarters as the county's share of the \$100,000,000 goal the organization has in the forthcoming campaign, which begins March 14th and continues through March 31st.

Chairman Jos. S. Moye named Mr. Wagner as General Chairman for Pitt County. In accepting the chairmanship, Mr. Wagner, who has recently been discharged after three years in the Navy, stated that he was happy to accept this responsibility as it gives him an opportunity to partially repay the American Red Cross for the splendid work it did for him and his shipmates. Mr. Wagner, in perfecting his plans for a county-wide organization, expressed himself as being confident that he will receive full cooperation from all who are asked to participate.

Mr. Moye stated that the organization worked so smoothly during the last campaign, under former Chairman E. H. Taff, Jr., that he contemplated as few changes as possible. He asked that group to lend the benefit of their experience to the successful prosecution of the 1946 campaign.

An early announcement will be made of appointments of District Chairmen and Committees.

Basketball Game Kiwanis vs Rotary Here Thursday, Feb. 21 At 8:00 P. M.

A great deal of interest is being shown regarding the coming game between the OLDER HOT SHOTS OF ROTARY and the YOUNGER COLD SHOTS OF KIWANIS. A real contest will be in store for the large crowd which is expected, as the game will be a contest to see who tries out the quickest with the least effort.

Kiwanis, winners of last year's contest, which they won by the close score of 11 to 10, will be endeavoring to keep their title clean, but this year's game may prove that anything can happen, when 10 clowns are sitting at the same time and being relieved by 10 or more other clown at frequent intervals.

The proceeds of the game will go to help the cause for underprivileged children, and the admission will be 50c for adults and 25c for children. School children will sell tickets on a commission basis, so when one of them asks you to buy two or three tickets, do so and kill two birds with one stone by helping a worthy cause and getting an evening's entertainment.

Kiwanis will have a star studded group to draw from, headed by roving "Shorty" Jack Lewis, "Share Shot" Glichist, "Flash" Harris, "Tree Top" Tall, "Dixie", "Nimble", "Mock", "Slow Motion" Barrett, "Tarsus" Morris, "Big Bad" Lang, "Warrior" Holmes, "Boly Poly" Allen (all three) and Lewis (both) and twenty odd others.

Rotary will draw upon the resources of the following for the hopes of scoring a hard played game; "Flint" Monk, "Nellie" Warren, "Grumpy" Liles, "Pants" Stanell, "Wrong Goal" Walston, "Jitterbug" Mewborn, "Speed" Flanagan, "Cagey" Moore, "Cacklin" Wooten, "Smiling" Duke, "Jumpy" Eason, "Chumpy" Williams and a bunch of others.
