The president read items of interest from the North Carolina Gardeners. During a short business session, Miss Bettie Joyner and Mrs. R. W. Rader were appointed on the program committee. Miss Bettie Joyner, program leader for the afternoon spoke on flower arrangements, saying, "Beauty is everywhere, it is the way things are assembled, not what is used. Flower arrangements can either be in the house or in the yard. Today we are discussing those in the house. Arranging flowers is a fascinating hobby. It is a form of self-expression. The container is equally important as the arrangement." Miss Joyner discussed the correct method to use in cutting flowers and caring for them afterwards. She cautioned against overcrowding the vases and sandwiching them, and advised working for color balance. Each brought a vase of flowers to the meeting, which was judged according to the flower rules set forth by Miss Joyner. It was a small scale flower show, with gladioli, dahlias, petunias, cape jasmine, desdemonia, nasturtiums, sweetpeas, two vases of mixed flowers and a corsage, which was presented to Miss Joyner at the conclusion of the program.

The meeting closed with an oral flower contest.

Refreshments were served from the dining room table, which was centered with a lovely bowl of pink sweetpeas. Sandwiches, deviled eggs, potato chips, cheese straws, pickles, olives and coca-colas were enjoyed by the members who took their plates and found seats on the sun porch.
