P. T. A. Meets.
The first regular monthly meeting of the Walstonburg PTA was held in the high school auditorium on Thursday evening, Sept. 5, at 8:00 o'clock. The meeting was called to order by the president, Mrs. Henry Newell and the devotional was conducted by Miss Ramona Rouse. The devotional was followed by several sacred musical selections which were rendered by high school girls. These selections consisted of a vocal solo by Jane Kittrell; a vocal duet by Doris Wheeler and Joyce Rouse, both accompanied by Mrs. C. H. Walston; and a piano solo by Jean Redick.

The minutes of the last meeting were read by the P. T. A. secretary, Mrs. Sharpe Newton, and after their approval the treasurer's report was given by Isaac Rouse. Remarks were made by Principal J. R. Peeler about the needs of the school and making plans to start the annual tobacco contest in the school. Miss Wright's tenth grade won the attendance prize in the roll call of parents.

After the various committees for the year were read by the secretary, the president asked the teachers to form a receiving line at the entrance of the auditorium to be introduced to the parents. After the introductions, refreshments were served by the social committee, headed by Mrs. Sam Jenkins. At the close of the social hour the meeting was adjourned to meet again on the first Thursday in October.

Why produce a good crop of corn and then let the weevils eat it? The loss from this cause is about 2 1/2 million bushels a year.

To you—

THE MOST IMPORTANT CAR IN THE WORLD

is the car you're driving now

Keep it in top condition to serve your present driving needs, and help to assure yourself of a higher trade-in value later, by having it serviced by us regularly.

Our skilled mechanics use factory-engineered tools, and replace with genuine Chevrolet parts when replacements are necessary, and our many facilities enable us to give prompt service as well. Until you can get delivery of a new car, keep your present transportation running dependably with Chevrolet Super Service.

and the car you're going to buy...

If it's Big-Car quality you want—and at low cost—then the car is the new Chevrolet.

Chevrolet is the only low-priced car combining the Big-Car quality features of Body by Fisher, valve-in-head engine, Kato-Achilles gliding ride and vacuum-power shift.

With the current production schedule, Chevrolet gives you a wide range of models from which to choose—a body type to suit your personal transportation preference.

While you may still have to wait for delivery, you'll agree that never has Chevrolet built a better car than this new Chevrolet.
