We have come to that period of the year that calls for a look backwards. "Count your many blessings" is the song of the hour, a song that we can sing and act. We do need to count our blessings. We need likewise to remember, as we count our blessings, that there are many people who have very little. There have been days of plenty for some; while, on the other hand, there have been days of poverty and destruction.

Let all of us return to God and truly give thanks for all that he has done for us.

Z. B. T. Cox, Minister.

An automobile is the most dangerous when the nut at the steering wheel gets oily.

This is the final USO appeal.

Most criminals are not hard boiled—just half-baked.

A friend of ours said his son was looking for a wife that is too proud to make him work.

When man discovers she's a cat instead of the "little kitten" he married, the honeymoon is over.

The only difference between good and bad people is that good people have a conscience that yells louder.

Women will only find peace when they have as many changes of clothing as they have changes of mind.

A lot has been accomplished in improving automobiles. The thing now is to improve the people who drive them.

Questions and Answers

Ques. Is a cash down payment in the purchase of a home under the G. I. Bill necessary, and if so how much will constitute a reasonable down payment?

Ans. In many cases a loan can be made to cover the entire purchase price. However, a 100 per cent loan may place too heavy a burden on the veteran. Any down payment will reduce the monthly carrying charge. The lender and the veteran must determine just what arrangements would be the most advantageous to the veteran's economic position.

Ques. How long after discharge from service are readjustment allowances available to the veteran?

Ans. Readjustment allowances are available to an eligible veteran at any time after his discharge until two years after the date of the discharge or two years after the termination of the war, whichever is later. However, no allowance will be paid for any week which begins more than five years after the termination of the war.

Ques. Does it make any difference to the veteran whether the lender processes insurance or guarantee on his G. I. loan?

Ans. Yes. Only 15 per cent of the obligation is charged against the entitlement of the veteran if the obligation is handled by the lender under the insurance provisions, whereas the charge may be as much as 50 per cent of the obligation if guaranteed. The result is that more of the entitlement is used up in a loan transaction by guaranty ordinarily, and so less remains available for future transactions.

Activities Of Local Church Organizations

Baptist

Miss Myrtle Nichols was hostess to the Y. W. A. in the home of Mrs. H. D. Johnson, Monday evening.

Opening the meeting was a prayer led by Miss Elvira Tyson. The group repeated the Watchword together. During the business session it was announced that the Business Women's Circle would entertain this group at a turkey dinner, December 3. Mrs. J. W. Miller read Psalm 100 after which Mrs. Henry Johnson led in prayer and presented the program entitled "People Beyond Our Field."

Mixed fall flowers were used to decorate the Johnson home.

Applesauce cake, ice cream and coffee were served in the refreshment hour.

Presbyterian

The Presbyterian Juniors met at the home of Mrs. J. M. Stansill, Thursday afternoon, with Miss Janet Stansill acting as hostess in the absence of her mother.

Roy Moore opened the meeting by reading a selection of Scripture. Miss Stansill related two Bible stories, later conducting a quiz about them.

Following adjournment by a chain of prayer, iced drinks and cookies were enjoyed.

Carl Blackwood, Jr., was a visitor.

Church Supper

The Episcopal Church supper, held Friday evening at the home of Mrs. E. C. Beaman and Mr. and Mrs. R. C. Copenhaver, was reported as a success from both standpoints of attendance and warm fellowship.

The supper was served buffet style from the dining room table, which was spread with a cutwork banquet cloth and centered with an arrangement of roses flanked by white candles in crystal candelabra. Guests found places at individual tables arranged in the living rooms, which were thrown on suite. The dessert course was served by members of the Woman's Auxiliary, who sponsored the affair. Chrysanthemums and roses were in effective arrangements throughout the home.

J. W. Joyner, senior warden and treasurer, conducted an informal business session, held after supper, during which the Rev. J. R. Rountree, spoke briefly. Reports from the various organizations of the Church were made and plans for a progressive program of building improvements and expansion were formed for the new year.

Methodist

The Lang's Youth Fellowship will meet Friday evening at 7 o'clock in the Farmville H. D. Clubhouse. Rev. E. R. Clegg will preach at the clubhouse Sunday evening at 7:30.
