The largest acreage increase over 1946 of any commodity is suggested for cotton in 1947, by the USDA. The coal is based on the need for nearly 12 million bales of cotton.

### BROWNIES

The Brownies met Wednesday in the home of Mrs. George Farr, counselor, with Mrs. Z. B. T. Cox, coselor, with Mrs. Z. B. T. Cox, co-director in attendance. The group discussed the spring operatta with much enthusiasm evidenced and de-cided to send a Brownie box of toys to children of a local family who lost their playthings when a truck, in which they were being moved, ignit-ed. Recordings of music and stories wer enjoyed.

Nancy Jane Carroll and Johnny Joyner were hostesses of the after-noon and served orange juice and

Ellen Norris Spencer was a special guest at this meeting.
