

18 Pitt Students At Wake Forest Now

Eighteen students from Pitt county are listed in the record-breaking enrollment of 1577 students at Wake Forest College this spring.

Greenville is represented by seven students. They are Thomas Langley and Max Wilton Williford, freshmen; John Hardaway and William Keck, sophomores; William Bilbro, Sidney Johnson and Harold Riddick, juniors. From Ayden are Wendell Dixon and Brantley Jolly, juniors; Alice Jean Johnson, senior; Fred Turnage, second year law. Farmville has Thomas W. Willis, freshman, and Milton C. Williamson, sophomore. From Winterville are Joseph Liverman, William Cox, and Roy Davenport, Jr., sophomores. Other county students are Guy Eagles, Fountain junior, and Benjamin Strickland, Bell Arthur, sophomore.

Jolly is president of the Pan-Hellenic Council, governing body of all social fraternities, and Reddick is also a member of this organization. Miss Johnson is affiliated with the Young Women's Auxiliary and Turnage is associated with Gamma Eta Gamma, largest legal fraternity on the campus.

Bilbro, Cox, Davenport, Eagles, Hardaway, Johnson, Jolly, Keck, Langley, Turnage, Williford, and Willis are veterans.

Hardaway, Keck, Langley, Liverman, Williamson, Williford and Willis are planning careers in medicine; Dixon, Eagles and Johnson in dentistry; Bilbro, Davenport, Jolly and Strickland in business; Reddick and Turnage in law and Cox in manufacturing. Miss Johnson hopes to become a laboratory technician.

Wake Forest is the oldest and largest Baptist College in the United States.

During the past year approximately \$15,000,000 has been added to the college's resources, the bulk of which consists of the Smith Reynolds Foundation Fund, valued at around \$11,000,000. This fund is being donated on the condition the college be moved to Winston-Salem and that sufficient funds be raised during the next five years to accommodate a student body of around 2,000 men and women. A planning committee has been appointed by Wake Forest's Board of Trustees and architect's sketches are being prepared which will show the tentative layouts of the proposed campus and necessary buildings.

Sue was congratulating Mary on her driving ability: "Why you're handling the car like a veteran."

"How do you know," countered Mary. "You've never seen me handle a veteran."

Small Child—Mother dear, is it lunch time yet?

Mother—No, darling, not for another hour.

Small Child—Well, my tummy must be fast.

Here is a letter from a farmer about an experience he had with natural soda on his cotton. It is offered here in the hope that you will find his suggestion helpful and profitable.

The Farmer's Forum

from Uncle Natchel's Book of Experience

"I had enough Natural Chilean Nitrate last year to sidedress about one-third of my cotton. We had a very dry August and the cotton that wasn't sidedressed turned yellow and lost a good many leaves. The sidedressed cotton stayed green and the bolls were bigger. It was the same effect I used to get with a nitrate potash sidedressing. I suppose the sodium in the Chilean Nitrate acted about like potash does."

Colored School Showing Contest

The colored Negro schools took part in the annual subject matter and spelling contests which were held at the State Teachers' College in Elizabeth City, April 10. The contestants worked in groups of three and represented 12 of the leading Negro high schools of the eastern division of the state.

The team from Farmville school ran extremely close for the first but was finally awarded second place in plane geometry, in the subject-matter division.

There were no decisions rendered in the musical division. However, Nathaniel Moore of the Farmville schools was clearly the winner, according to public reaction, in the solo contest.

While there is a very pressing need for better buildings and equipment, the Negro schools of the county are doing an excellent job with what they have. The teaching personnel, on the average, is among the best in the state.

Colored Pre-School Clinics Scheduled

The colored pre-school examinations in the following city schools will begin April 18, according to a statement issued by Dr. J. M. Barrett, acting health officer.

Not only will the pre-school children be examined and vaccinated, but in addition, mothers may bring babies over six months of age and run-about children as well for vaccinations.

It is extremely important that the parent come with the children to discuss the child's health with the doctor.

The schedule follows: Farmville, April 18; Bethel, April 22; Winterville, April 23, Dr. A. M. Mumford; Grimesland, April 28; Ayden, April 29, Dr. G. G. Dixon; Greenville, April 30, Doctors Battle, Capheart and Groves.

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE TOWN OF FOUNTAIN, NORTH CAROLINA, TO REQUIRE THE LAYING OF SIDEWALKS UPON AND ALONG SAID STREETS AND PORTION OF STREET OF THE TOWN OF FOUNTAIN UNDER THE PROVISIONS OF ARTICLE 9, CHAPTER 160 OF THE GENERAL STATUTES OF NORTH CAROLINA (1945).

WHEREAS, the Board of Commissioners of the Town of Fountain, North Carolina, have determined and found as a fact, after due investigation and consideration, that the public interest requires the laying of sidewalks upon and along the streets and portions of streets of said Town hereinafter designated and that such local improvements should be made under the provisions of Article 9, Chapter 160 of the General Statutes of North Carolina; Now, therefore, **BE IT AND IT IS HEREBY RESOLVED** by the Board of Commissioners of the Town of Fountain as follows:

Section 1. That except as herein otherwise provided, a sidewalk shall be laid upon and along the following streets or portions thereof of the Town of Fountain, designated as follows:

On the North side of Wilson Street between Railroad Street and the Western city limits;

On the North side of Wilson Street between Jefferson Street and the Eastern city limits;

On the South side of Wilson Street between Railroad Street and the Western city limits;

On the South side of Wilson Street between Eason Street and the Eastern city limits.

PROVIDED, HOWEVER, That this Resolution shall not apply to that portion of any street hereinbefore designated as to the part thereof where a sidewalk has already been constructed substantially in accordance with the specifications herein-after set out.

Section 2. That the sidewalks hereby required to be laid shall be constructed in accordance with the plans and specifications in respect to sidewalks to be prepared by the Town's engineer.

Section 3. That the sidewalks hereby required to be laid shall be constructed and laid by the respective owners of the property abutting upon each side of the street, and such work shall be completed on or before the 16 day of June, 1947; and unless the same shall be made by such owners on or before the date hereinbefore specified, then the Board of Commissioners will cause such sidewalk improvements to be made and when so made by the Town the cost thereof shall be assessed against the lots and parcels of land on that side of the street upon which the sidewalk has been laid by the Town and abutting directly on the improvement, according to their respective frontage thereon, by an equal rate per foot of such frontage.

Section 4. That in case of default by any such property owner in making the sidewalk improvements herein provided for and the assessment of the cost thereof against the lot or parcel of land of such owner abutting thereon, then such owner shall have the option and privilege of paying the cost thereof in cash or in five (5) equal annual installments payable on the first Monday in October of each year, each installment to bear interest at the rate of six per
