

REMODELING and BUILDING

HOME OWNERS and BUILDERS PAGE

You will be getting nowhere if you just sit and dream about the home you want to build. Now is the time to act and we invite you to call on us for plans, estimates and specifications.

Remember that no building is better than the contractor who does the work. It pays to deal with reputable builders.

JOHN M. TYNDALL

General Contractor

Build your home with
quality-tested

CONCRETE MASONRY

Your concrete house can be any style or floor plan you wish, adapted to your family's requirements and to your location. Any house you plan to build will be a better house if built of firesafe concrete. The annual cost will be low.

Our tested concrete block meet the high quality requirements of all standard specifications.

Put all
of your
DEBTS
in one
LOAN..

EVERYBODY runs into debt. It's the fellow who doesn't do the right thing about getting out of debt— who loses face and credit! Your simplest solution is making a loan through us, to cover all your debts—then pay us back in small, regular amounts in proportion to your income, while you continue enjoying everyone's respect and confidence.
