It Saved Her Life Says Ashville Lady

As it is only in accordance with the laws of nature that loss of weight, physical and nerve force result from ill health, so it is that by the same law we regain our lost weight and strength when our troubles are righted and the system put in order.  
This is why so many wonderful recoveries and remarkable gains in weight have been accomplished by Tanlac. Tanlac brings back normal health, weight and strength through its effect on the appetite and nutrition of the body. One of the most striking statements yet published in connection with this fact is the following:

ing from Mrs. G. W. Beachboard, 25 Tremont St., Asheville, N. C.  
"After an attack of gonorrhea poisoning I suffered from chronic stomach trouble and my health was generally broken down. I was bedridden for six months—could not walk a step—and had very little hope of ever getting well.  
"With my second bottle of Tanlac I began to improve rapidly. I was fat and sleep fine and have gained about fifty pounds. I don't believe I would have ever gotten well if I had not taken Tanlac."
