"A Story of the Past and Not of the Hereafter." The Lost World" Is Unlike Any Story You Have Ever Read. It Will Amaze You, Enthrall You, Entertain You

It Is Chuck Full of Mystery, Romance and Adventure, As Only a Conan Doyle Could Tell It

A masterful strange blending of the Twentieth Century and the Jurassic Period of 10,000,000 Years ago. Doyle leads you on a trip to a magic plateau in unexplored South America, where forms of life have remained unchanged for 100,000 centuries. You will enjoy the vicarious thrill of adventuring among prehistoric dinosaurs, mightier than half a dozen elephants, and in the end, returning to the 20th century, the lovers find their happiness back in London.
