Rocky Mount Defeats Wilmington Yesterday At Mount Olive 10 To 0

Large Crowd, Many Being From This City, See Play-Off of Recent Tie

WILL PLAY SANFORD

Rocky Mount and Sanford will meet soon to decide Eastern Carolina Championship.

After playing a scoreless tie in Mount Olive last Saturday afternoon, the Rocky Mount and Wilmington High School football eleven met again in the same city yesterday afternoon, the former emerging on the long end of a 10 to 0 score, after four exciting quarters of good and bad football. Rocky Mount's victory gives her the right to meet Sanford, who yesterday won from Chapel Hill 12 to 0 for the championship of Eastern North Carolina. This game will be played either at the end of this week or the first of next.

The game yesterday was witnessed by a large and enthusiastic crowd, many supporters from both cities visiting Mount Olive to cheer for their favorites. There was also a goodly sprinkling of Goldsboro fans in the crowd. Rocky Mount appeared to have a slight edge on the Wilmington boys in weight, just as they did the local high school eleven, but the legs from New Brunswick county put up a game fight.

It looked like a Wilmington walk-over in the first half. The team from this city badly needed the Rocky Mount eleven by narrowly missing a kick from placement in the first quarter, and in the second quarter they almost crossed the Rocky Mount goal line for a touchdown, when Rocky Mount fumbled a punt and the Wilmington player got away with the ball for a 20-yard run. However the Rocky Mount team held tight, and Wilmington failed to score, losing the ball on downs.

Rocky Mount's scores came in the third and last quarters. In the third period they made three points on a placement kick, and about the middle of the last quarter intercepted a forward pass, carrying the ball 30 yards for a touchdown, and kicking goal, giving them a total score of ten, which was ample to put the game on ice.

The winner of the Rocky Mount-Sanford game will play the Western Champions, which in all probability will be Gastonia, for state honors. This game will be played in Chapel Hill in early December.

Baptist Sunday School Enrollment Increases

NASHVILLE, Nov. 24. (AP)—Enrollment in the Baptist Sunday Schools of the South in the past 14 years has increased from 1,600,000 to 2,536,963. Dr. I. K. J. Van Ness, secretary of the Southern Baptist Sunday School Council, announced today, in calling the fifth annual South-wide conference to be held in Birmingham, January 12 to 14, 1937.

Dr. Van Ness ascribed this increase to the new life this impetus of one thousand organized classes has put into the movement.

Representatives of hundreds of the latest organized Baptist Sunday Schools from seventeen southern states and the District of Columbia, will attend the Birmingham convention, Dr. Van Ness said today.

Thanksgiving Day Commences Last Phase of Effort

INDIANAPOLIS, Ind., Nov. 24.—Thanksgiving day will open the final phase of the American Legion's biggest benevolent activity, the founding of a \$5,000,000 endowment fund to care for disabled veterans and orphans of the world war. It was announced at national headquarters of the Legion here today. The fund has been brought almost to the desired total and campaigns in the period between Thanksgiving and Christmas are expected to carry it over the top.

The wind-up activities in the endowment fund effort will be centered almost entirely in large cities, which were late in beginning their campaigns. These cities were contending keenly for the honor of being the one whose contributions will send the national fund over the \$5,000,000 mark.

Thanksgiving day also was expected to mark the close of a number of successful November campaigns.

The endowment fund work has been going ahead at full steam this month, reports its national headquarters show. Response has been even more enthusiastic than during the summer when the endowment drive was at its height throughout the nation, workers state.

Deaths of Old Timers Cited; Carolina Has Edge on Virginia Since End of War

CHAPEL HILL, Nov. 24.—Memories of other days will come back to the Tar Heel as it takes the field against Virginia here Thanksgiving Day in the annual renewal of the season's gridiron classics.

The team of '36 which won a 6-3 victory over the Cavaliers will be recalled. The touchdown came when Vernon Howell, Tar Heel back, now dean of the school of pharmacy of the University ran 40 yards through the entire Virginia team for the winning score. Then there was the game played at Norfolk in 1936 when Virginia was a strong favorite. Carolina overturned the predictions and won 17 to 0. Foy Roberson, now of Durham, and practicing physician of that city was captain of the team that year.

And there was the wonderful record of Bill Folger who came to N. Carolina after making an unusual record playing for the Citadel of Charleston, S. C. Big Bill came in 1915 when the Tar Heels had been defeated 11 times' automatically. It was Folger who carried the ball 52 yards for a touchdown and the final score was 7 to 0 in Carolina's favor. Hunt Low was the star of Carolina in 1919 victory, 6 to 0, over the Cavaliers.
