The lumber and other material for the building has already been placed. It will be 80 by 80 feet. Some very decided improvements are now being made on Mr. Craig's stable on the opposite corner. A shed containing several male pens and a large open entrance covers a space 140 by 80 feet. These extensive improvements are well warranted by the ever increasing business of the firm.

—On a warrant sworn out by William Parker of Maiden, Policeman Wiley Carroll on Friday arrested Mr. Mascomb Ellington on a charge of larceny. He was taken to Harbore Esquire M. P. The evidence produced showed that Mr. Ellington had found the piers and did not know to whom they belonged. READY FOR BIG DAY.

Great Educational Jubilee and Fourth of July Celebration on Saturday to Be Biggest Gastonia Has Had.

Gastonia is preparing for a great day Saturday, July 2nd. It promises to be the biggest celebration the town has ever experienced.

All the committees are hard at work. The committees on parade and amusement are getting in readiness to entertain the large crowd that is expected to be on hand.

Governor Aycock will speak at Loray Park in the forenoon; McAdenville and Kings Mountain will play ball at 3 p. m. at the old show grounds; the day will close with a big display of fireworks at 8:30 p. m. at Loray Park. There will also be other features of amusement.

The bands from Cherryville, Bessemer, Mount Holly, and Gastonia are expected to be on hand to furnish music.

The schools of the town and county will be on hand in force and will constitute the main part of the parade. It is going to be a great educational day and nobody in the county can afford to miss it.

Reports from the various sections of the county indicate that Gastonia will have on that day the largest crowd in its history. Remember the day—Saturday, July the 2nd.

To The School Children.

All of the graded school pupils are requested to meet at the central school building Saturday morning at 9:30 o'clock. Supt. Wray desires that every grade and every school be represented. The object of this gathering is to get all the school children together for the parade.

Park Club Organized.

An enthusiastic mass meeting was held in the city hall last night for the purpose of organizing a baseball and park association. Mr. W. O. Gattis was elected temporary chairman and Mr. E. H. Tuttle secretary. A committee consisting of Messrs. J. S. Torrence, E. H. Tuttle, and S. S. Morris, was appointed to solicit stock takers. A permanent organization will be effected as soon as a specified amount of stock has been subscribed. It is proposed to purchase something like thirty acres of land, build a grand stand, race track, and in short to create an up-to-date park.

MRS. R. A. WILSON DEAD.

Well Known Lady of McAdenville Answers the Grim Reaper's Call—Funeral and Burial at Lowell Sunday.

Mrs. R. A. Wilson, wife of Mr. R. A. Wilson, Sr., died Saturday afternoon at 5:30 o'clock at the home of her daughter, Mrs. J. B. Reid, in McAdenville after an illness of several weeks, aged 55 years.

The funeral was held in the Methodist church at Lowell at 3 o'clock Sunday afternoon, Rev. John H. Bradley conducting the services, after which the body was tenderly laid to rest in the Lowell cemetery.

Surviving the deceased are a husband and five children as follows: Mr. R. A. Wilson, Jr., Mrs. J. B. Reid, and Mr. Sam Wilson of McAdenville; Mr. James Wilson, bookkeeper for the Lowell Cotton Mill; and Mrs. L. B. Reid of Charlotte.

The deceased was a most estimable and highly esteemed lady and had many friends in McAdenville and elsewhere to whom the announcement of her death will bring sorrow. To the bereaved husband and children THE GAZETTE extends its sincerest sympathy.

Died at High Shoals.

Mrs. Stella C. Clark, wife of Mr. Joseph L. Clark, died yesterday afternoon at 3 o'clock at High Shoals, age 43 years. Mr. L. D. Smith came down yesterday afternoon and returned with a casket last night. The body will be taken to Georgia to-day for burial. A husband and four children survive. The deceased carried a policy in the North Carolina Mutual Aid and Home Protective Association.

One death and eleven cases of prostration from heat occurred in New York Sunday.

F. H. Burness was electrocuted at Sing Sing, N. Y., yesterday for the killing of Capt. George Townsend.

A Wonderful Saving.

The largest Methodist Church in Georgia, situated on one of the highest points of the usual kind of mixed paint in painting their church.

They used only 22 gallons of the Longman & Martin's Paint instead of 24 gallons of mixed oil. Actual cost of paint made was less than \$1.50 per gallon.

Saved over eighty (\$80.00) dollars in paint and not a thing besides.

EVERY CHURCH will be given a liberal quantity whenever they paint.

Many houses are well painted with four gallons of L. & M. and three gallons of mixed oil instead of twelve.

Wears and covers like gold.

These Celebrated Paints are sold by GASTONIA HARDWARE Co., Gastonia, THOMPSON & PROGRAM, Stanley.
