PREPARING FOR THE CENSUS.

Tuesday morning's GAZETTE had scarcely been out in the mails half an hour when the phone began to ring in from neighboring towns the applications of those who desire to assist us in taking the census of Gaston county.

Correspondents will kindly be patient. It would be almost impossible for us to answer each one separately without dropping everything else.

Meanwhile, keep up the stream of applications and fill up the required number as soon as possible. Remember that we pay you for your work.

CHARLOTTE'S CELEBRATION.

It has been a week of very great satisfaction in Charlotte. The weather has been delightful and the program from day to day was accomplished with order and precision.

ectors; but the event has gloriously justified the faith and enthusiasm of its promoters. The attendance was one to tax the capacity but not the hospitality of the splendid city to which all its neighbors delight to trek upon very slight provocation, and the crowds were not disappointed in the attractions.

If grace could be found in criticism of any point of a program so splendidly caparisoned and so felicitously followed, we could only find it in our heart to wish that the great human flag, with the voice of singing children bursting from every mesh of its glory-gilded folds into a colorful cataract of lyrical patriotism, could have been made a feature of each day to kiss back the morning's tender sunlight with its multitudinous ripples.

The parades, the military displays, the music, all the features, in short, were worthy of unstinted laudation. When it came to knowing the people who were there to see the sights, no one person knew many people in a single section of the moving multitudes, but from first to last the average man met enough of his friends to be convinced that they were "all there" from far and near.

Deceased was a prominent member of the young social set and was exceedingly popular. She was a graduate of Limestone College, having completed her course of studies about a year ago.

Mr. Edison in Lincoln. Winston-Salem, May 23.—Mr. Thomas A. Edison, Orange, N. J., spent last night in this city en route to Lincoln county, there the world's greatest inventive genius has several prospectors at work, they having discovered several veins of the rare metal, cobalt, with which he will be able to reduce the weight of his new battery 50 per cent.

Hurry at Meals Will Send You to J. H. Kennedy & Co., for Mi-o-na Stomach Tablets. "Eat in haste and repent at leisure" is an old saying brought up to date.

Of course indigestion has many other causes, but whatever the cause, the remedy is the same, Mi-o-na. It cures any acidity there may be, increases the flow of the gastric juices, and actually gives strength and tone to the whole digestive system.

Grading Macadam Road. Sealed bids will be received by the Commissioners of Gaston County, at the Court house in Dallas, N. C., on Tuesday, June 25, 1906, for the grading (only) of about twenty miles of macadam road.

Union Cotton Mills Sold. Charlotte Observer. Union, S. C., May 23.—The Union Cotton Mills plant, real estate and accounts were sold here at noon to-day to the Union-Buffalo Mills Company for \$1,230,400, which was a few dollars more than the upset price.

Payne's New Discovery FOR STOMACH, BOWELS, LIVER, AND KIDNEYS. \$1.00 per bottle, three for \$2.50, six for \$5.00. Payne's Quick Relief Oil, 25 cents. Frost Torrence & Co.

DEATH WAS SUDDEN.

Miss Marie Montgomery, Popular Young Society Woman of Spartanburg, Found Unconscious in Her Room and Dies in Few Minutes.

Spartanburg, S. C., May 23.—Miss Marie Montgomery, oldest daughter of V. M. Montgomery, president of the Pacolet and Gainesville Cotton Mills, died suddenly at her home on Main street this morning.

Deceased was a prominent member of the young social set and was exceedingly popular. She was a graduate of Limestone College, having completed her course of studies about a year ago.

Take Time To Eat.

Hurry at Meals Will Send You to J. H. Kennedy & Co., for Mi-o-na Stomach Tablets.

"Eat in haste and repent at leisure" is an old saying brought up to date. Hurry at breakfast means a bad start for the day, and if you hurry also at the other meals, you will soon suffer with loss of appetite, sleeplessness, nervousness, furred tongue, specks before the eyes, headaches, backaches, weakness and debility.

Of course indigestion has many other causes, but whatever the cause, the remedy is the same, Mi-o-na. It cures any acidity there may be, increases the flow of the gastric juices, and actually gives strength and tone to the whole digestive system.

Items From Cherryville.

Dr. Houser's fine new dwelling is now nearing completion. It is one of the most attractive houses in town and is quite an addition to Cherryville.

A kiln of brick belonging to the Cherryville Brick Company collapsed Thursday night, doing considerable damage, destroying several thousand brick.

Mr. Audie Beam, formerly of this place, who has been stationed in Gastonia working insurance, has been transferred by his company to Hickory and Newton.

The Commercial Hotel has just been repainted, which adds much to its appearance. Mr. T. B. Leonhardt is the popular proprietor, and always keeps it up-to-date.

Mr. Harris Hardin, a practical printer of Shelby, has accepted a position on The Eagle. Mr. Hardin is a bright young man, and we were fortunate in securing his services.

Mr. J. P. Dellinger, of this place, is the promoter of a bagging factory to be erected at Lattimore this summer. This, it is said, is the fourth institution of its kind in the South.

Mr. Jno. S. Neill recently purchased the Armstrong dwelling on Main street. It has just been repainted and adds much to the appearance of the south end of Cherryville.

Mr. Chester A. Black, a clever young citizen living near Cherryville, is in the race for county surveyor. He has had considerable experience along this line the past winter and spring, and we commend him to the voters of Gaston county.

Some coward had the "sneaking audacity" about him to cut the driving belt of the Cherryville Manufacturing Company. We do not know who the party is, nor are we alleging any one, but it appears to us that the party ought to be severely punished.

M. D. Gates had a mess of Irish potatoes yesterday, gathered from his garden. This is the first new potatoes we have heard of this year, and it goes to show that Mr. Gates' is a good gardener as well as accommodating salesman.

Mr. J. W. Spargo, who lived about two miles from Crouse, died Sunday afternoon. His death was a shock to the community, having been sick only a few hours. He was about 38 years of age and is survived by a loving wife and five children—three sons and two daughters.

The death angel visited the home of Mr. Sidney Reynolds, who lives about two miles of this place, and took from it his mother-in-law, Mrs. Catherine Heaveuer, on last Sunday, the 20th inst. She was one of the oldest landmarks of Gaston county, having reached the ripe old age of 78.

Tough on the Graduate. Charity and Children. Did you ever hear of a college dead-beat? Not long ago a graduate of Princeton was boasting in our presence that the curriculum at that great institution was so high that a man holding a diploma from any of our North Carolina colleges could not enter junior class.

ARE YOU? A JUDGE? If you're not a judge of good clothes, it would be well to keep your weather eye open. DON'T BUY TRASH! It's easy to make cheap spring clothes. Some people make them so cheap that they're dear at any price. It's a good idea to go to a house that has a reputation for selling good clothes. You'll be safe if you come here, for it's "money back" if anything goes wrong. Take a look at our Suits at \$10, \$15, or \$20. 00 Need a pair of Spring Trousers? \$1.50 to \$6. Swan-Slater Co. Gaston Iron Works BRANCH FOUNDRY AT MT. HOLLY. In response to the increasing demands made upon us for enlarged facilities, we have opened a branch of our foundry in Mount Holly, where we shall be pleased to render our usual prompt and efficient service to any of our old customers as well as new ones. Many of our esteemed patrons will find the Mount Holly branch more convenient than to come to the home shops at Gastonia, or in fact to any other Foundry. It is our purpose and practice always to serve our patrons promptly either by day or night and to guarantee that our work, price, and time shall be absolutely satisfactory to all customers. Patronize either branch that may be the more convenient to you and always be assured of the best service that our expert machinists are capable of rendering. Respectfully, GASTON IRON WORKS Foundry and Machine Shops GASTONIA, N. C.
