Judge James C. Jenkins, Native of Gaston County, Now Judge of United States District Court in Philippines, is in the States on Brief Vacation-He and Mrs. Jenkins Honored on Eve of Their Departure from Manila.

The item below, copied from Hearst's Sunday - American, published in Atlanta, of the 27th instnat, will be of interest to many Gazette readers. Judge Jenkins is a Gaston ountian and a brother of Mr. L. L. Jenkins, of Asseville and Gastonia; Mrs. J. H. Craig, of Gastonia; Mrs. Miles Hoffman, of Dallas; Mr. W. W. Jenkins, of Wake Forest, and Mr. David Jenkins, of Charlotte. He is now on a vacation trip to this country and will very probably visit his relatives here while on furlough. The American says:

A newspaper which came vester-

day to Atlanta from Manila tells the story of honor which has been attained by an Atlanta man in the Jenkins, former Georgian, and now Judge of the United States District Court of Pangasinan.

The Manila Daily Bulletin tells of a tribute paid him and Mrs. Jenkins recently at a farewell dinner upon the eve of their departure for the States on a short vacation trip.

Judge and Mrs. Jenkins left Manila March 25, en route for the Untted States by way of Europe. They will spend a short time in their old Islands in the late summer. In Atlanta they will be with their daughter, Mrs. Will L. Meador.

The entertainment of which the Manila paper tells was an elaborate affair given by the bar and officers of the court of Pangasinan, at Lingayen, and was held in the Governof the prominent Americans of the province's populace. A handsome silver writing set was presented to Judge and Mrs. Jenkins.

Judge Jenkins has been in the province of Pangasinan about seven years, going there upon appointment by President Roosevelt. Until his departure for the Islands, he practiced law in Atlanta.

Evidence of the esteem achieved to spend a few days with Dr. and by Judge Jenkins in his new surroundings is borne in lengthy resolutions adopted by the bar and COULT -Rev. R. R. Caldwell, pastor of of the Pangasinan circuit upon the mending him as a man and as a judge, they provided that a copy be forwarded to President Wilson. The friends of Judge Jenkins in the Philippines say that they are glad he is there, and that they want him to stay.

James Sylvanus Millen, Gaston Countain Who Was Supposed to Have Been Killed in Battle Half a Century Ago, Returns to the County to Look up Relatives After Abesence of 53 Years-Now Lives in Maryland.

On April 3rd there alighted from south-bound train at the Southern Railway station here a grizzled veteran of the Civil War in the person of Mr. James Sylvanus Millen, who came back after an absence of 53 years to look up his brothers and other relatives, by whom he had been mourned as dead for more than half a century.

The story of Mr. Millen's being finally re-united with his brothers after so long a separation is an interesting one and is doubtless like many other instances of of a similar nature which grew out of the fact that immediately following the civit war means of communication were scarce, and a great many men who were never heard of by relatives and were supposed to have been killed in battle survived and started anew in some distant locality.

The central figure of this story, Mr. James Sylvanus Millen, was born at the old homestead on Crowders Creek March 10, 1843, being the second son of William Millen, who died about six years ago. He went to the war in 1861 as an eighteenyear-old boy, going with Company H, 18th South Carolina regiment, to Fort Sumter, where the first gun in the war had been fired. He was in twenty-one battles, being slightly wounded in the leg in the fighting around Petersburg. Another of the brothers, William F. Millen, was very badly wounded by the explosion of the famous mine at Petersburg, but recovered and lived until a few years ago.

After the close of the war Mr. Millen became somewhat of a wanderer for a few years, living for a while at Washington City and at sevgral places in the West. He finally settled in Maryland, where he owns a farm near Sollers, in Calvert coun-He has been twice married and ty. has three children, all of whom live in Maryland. His home is about ninety miles from Baltimore on the the West coast of Chesapeake Bay.

About two years ago Mr. Millen made an effort to find out if his brothers or any other members of were living by writing to ramily the clerk of the court of this county, Mr. C. C. Cornwell, who was unable to give him the desired information. Mr. G. R. Millen, who lives at the Ozark mill and is a nephew of J. S. Millen, happened in some way to hear that such an inquiry had been made of the clerk, and took the matter up with his father, Mr. R. A. Millen, who lives at Greenville, S. C. with the result that the brothers soon were in communication with each other and Mr. J. S. Millen came here to visit his old home and his brothers who live in this section. They are Mr. R. A. Millen, of Greenville, S. C., who came here to meet the brother from Maryland, Mr. Martin V. Millen, of Cleveland county, J. W. Millen, who lives on Knob Creek, Cleveland county and John Millen, of Baker's Mill community. It is probable that very few if any persons have ever re-visited Gaston county after so long an absence and hence witnessed so great a change as Mr. Millen. When he marched away from his home in 1861 there were no railroads in the county except the Carolina Central, now the Seaboard Air Line, which had then been completed only as far as Cherryville. Dallas was the only town in the county and the land on which Gastonia is now built was a vast forest, not even traversed by any roads worthy of the name. Cotton mills, of which Gaston now has more than any other county in the South, then numbered only two or three small, struggling establishments located on the Catawba and the South Fork rivers. During his month's stay here Mr. Millen visited a number of relatives in various localities, including all his brothers named above, and was strongly impressed with the splendid progress the entire section is showing along all lines. He returned this week to his home in Maryland having promised to consider very thoroughly the matter of selling out his property there and returning here to live. While more than 76 years of age, Mr. Millen is quite strong and seems much inclined to decide to come back to his native county to spend his remaining years, provided the move meets the approval of the other members of his family at home.

Citizens of Gastonia Will Vote Monday, May 5th, For Mayor, Aldermen, School Commissioners and Executive Committeemen-Ticket About Complete-Ward Six Holds Meeting at City Hall To-Night.

Gastonia's regular bi-ennial municipal election will be held at the city hall Monday from sunrise till sunset. At that time the citizens of the seven wards of the city will vote for a mayor, seven aldermen, seven school commissioners and seven members of the citizens executive committee. To-morrow is the last day on which voters may register. Mr. E. H. Rankin, the registrar, will be at the city hall from 7 a. m., to 7 p. m., for that purpose. There is no new registration but anyone whose name is not on the books should see to it to-morrow that he registers, otherwise he will be disfranchised.

There is only one ticket in the field and the vote will, in all probability, be a light one. Two years ago the situation was similar and only 111 votes were cast.

At a primary held on Saturday, April 19th, a mayor and seven aldermen were nominated, the selection of school committeemen and executive committeemen being left to the several wards.

Following is the ticket for mayor and aldermen:

For Mayor-C. B. Armstrong. For Aldermen: Ward 1 .- V. E. Long. Ward 2 .- J. L. Beal. Ward 3 .- S. Settlemyer. Ward 4 .- T. M. McEntire.

Ward 5 .- A. E. Moore. Ward 6 .- S. S. Shuford. Ward 7 .- Marshall Dilling.

Meetings have been held this

week in Wards Nos. 2, 5 and 7 for the choosing of school commissioners and executive committeemen. In Ward 2 Mr. H. B. Moore was named as school commissioner and Mr. D. M. Jones as executive committeeman: in Ward 5 Mr. J. W. Culp was named as school commissioner and Mr. J. F. Thomson as executive committeeman: in Ward 7 Mr. A. E. Noted Philanthropist and Peace Advocate Speaks Before National Peace Conference at St. Louis -Confident That America Need Never Fear Foreign Invasion -Praise for President Wilson.

St. Louis, May 1 .- Andrew Carnegie told the National Peace Congress assembled here today why he believed the Nations soon would reach the goal of peace, and by what road they would travel. He described the cost of war and war-like preparation, and explained his confidence that the United States never need fear foreign invasion. Prestdent Wilson and his Administration he predicted would gain immortal glory by dealing successfully with the question of world peace.

The goal, said Mr. Carnegie, 18 almost attained. "If a man wished to select the safest life possible, the one freest from all danger of violent death, let him enter our Army and Navy. There is not a workman attending machinery or erecting buildings, nor a railway train employe or a policeman-the soldier of civilization, whose duty is never to attack but always to protect-not one but runs far greater risk of sudden injury or death than the soldier or marine of cur country does today. There is little danger of any of these ever seeing war, thank God! They will only have to parade." PICTURES OF INVASION.

The speaker pictured a 'possible "Britforeign invasion as follows: ish authorities consider it might be possible for an enemy to land as many as 170,000 men upon their island in three weeks, and the believe they have provided a force sufficient to deal with this number. We could cope with seven times this number of invaders, if we could only induce them to accept our invitation to march far enough inland and partake of our hospitality until they were resied and gave us notice they were ready to begin operations. We would probably conquer without firing a shot. Thousands might decide to stay in the great West and work and save until they could buy a citizens.

The roundtrip fare from Gastonia will be \$7.50 and tickets will be on sale May 24th. Tickets may be extended for the return trip to June 25 by payment of a fee of 50 cents. There will doubtless be a good attendance from Gastonia and the county.

-This week the work of grading the court house yard has been going on. The yard has been raised on the East front and will probably terraced there. As it is late in the season a stand of grass can hardly be secured and it will probably be sown in peas, to be followed next year with grass. Gastonia Chapter U. D. C's. is preparing to erect an iron fence around the Confederate monument and plant a flower bed in the enclosure. Concrete walks will be laid from the streets to the court house. In time the yard will no doubt present a most attractive appearance.

Mrs. Jenkins was not forgotten in the resolutions. In fact, the document declared that the Judge could not have attained his station had it not been for Mrs. Jenkins. One of the sections declared:

"It is believed that the success that has crowned the efforts of Judge Jenking in his career thus far in life has not been due wholly to his own efforts, but in part to the presence of his good wife in the home and the great assistance she has ever rendered in solving the knot's problems of the day, smoothing the rough places in life's pathway, dispersing the clouds and letting in the sunshine and above all the wielding of that divine influence which 18 characteristic of the good wife in the home. To Mrs. Jenkins we can assign all of this and more.'

Judge and Mrs. Jenkins will be in Atlanta about May 10, according to a letter to Mrs. Meador. Before coming to Atlanta they will stop for some time in Washington, where a number of their friends and relatives reside. They will be about a month in Atlanta.

MUST SERVE THEIR TIME.

Breese and Dickerson, Asheville Bank Wreckers, Must Go to Federal Prison.

Washington, April 30 .- W. E Breese and Joe Dickerson, who were convicted and sentenced to two-years imprisonment for alleged irregular banking methods which resulted in the failure of the First National Bank of Asheville over 15 years ago, must serve time in a Federal prison.

This was made certain when late last night the Department of Justice announced that after reading the physicians' report as to the physical condition of Breese that no recommendation for a pardon would be made. Pardon Attorney Finch said that while the physicians' report said Breese in their opinion "could not live two years if put in prision," the department would insist on the law taking its course. He pointed out that Breese could apply for parole within 8 months after commitment and if his health was such at that time as to warrant his release, It was believed it would be recommended.

CHERRYVILLE SCHOOL.

Closing Exercises Last Friday Mark End of a Successful year-Splendid Address by E. R. Preston, of Charlotte.

The Eagle, 1st.

Last Friday marked the close of another successful year of the Cherryville schools. Senior Class Day exercises were held Thursday at 2 p. The graduating class this year m. was the largest in the history of the school. Eleven boys and girls have completed the course here and we trust will observe the class motto, Not at the Top But Climbing."

On Friday morning at 10:30 Dr. R. A. Patterson, of Charlotte, preached a masterful sermon from the text, "And Joab returned from following Abner: and when he had gathered all the people together. there lacked of David's servants nineteen men and Asahel.

Friday evening at 2:30 Hon. E. R. Preston, of Charlotte, taking for his subject, "What are you going to do about it?" made an inspiring address to the graduating class and large audience assembled. At the conclusion of the address Prof. F. P. Hall, county superintendent of education for Gaston county, after paying a worthy tribute to the Cherryville schools, presented diplomas to the eleven High School and twentythree seventh grade graduates.

Friday evening at 8 p. m. a large and appreciative audience witnessed the play, "The Deacon," given by the High School students. The play was well acted throughout, all the actors rendering their parts most creditably. Between the scenes most enjoyable solos were rendered by Misses Zona Stroup and Mattie Kendrick with Miss Maggie Hall at the piano.

Ambrose Hoyle, who was shot and killed near Wadesboro last Sunday evening, was brought here Tuesday and buried at Hebron church in North Brook, Lincoln county.

Rev. J. H. Cassady has accepted the pastorate of the Presbyterian Church here and at Waco, and will move to Cherryville about the 20th of this month.

Messrs. L. S. Costner, Forest and

many, Russia, Japan and Americacombined their forces in China, under command of a German general tin, present member of the school for a specific purpose, which was successfully accomplished.

"Three or four leading peace Nations combined, constituting, as they would, an overwhelming force, unbroken peace would almost certainty be ensured, for to break it would be folly. If ever it were broken, A. B. McAllister, incumbent, to the however, it would be well before resorting to force for the peace-preserving Nations to first proclaim non-intercourse with the offender, no loans, no exchange of products, no military or naval supplies-above these men have already been signed all, no mails-this would serve as a solemn warning and probably prove effective, but if not, then as a last resort force should be used. This plan seems the easiest and speedlest mode of attaining international peace.

ON EVE OF VICTORY.

"Recently world peace was upon the eve of victory. A treaty of peace was signed by Britain, France and our Government which would have prevented war between civilized Powers, because Germany would nave joined us, as its Ambassador intimated. A joint remonstrance against war by these four Powers would have given any Powers threatening war just a gentle intimation that they were expected to follow the example of those who had aboiished war and who had interests m the preservation of peace which could not be and would not be overlooked, and peaceful adjustment would be certain.

'Why this treaty failed to receive the support of the Senate need not be here dwelt upon. Suffice it to say the fault was not altogether that of the Senate-sometimes a blunder is said to be worse than a crime. Well, some one blundered. Looking backward, the error is now clearly seen, and we venture to predict that the present Administration will deat successfully with this vital question.

PRAISE FOR WILSON.

"This sole remaining task accomplished, it will rank highest of all services ever performed by man to man, because its influence will be world wide and the President will take rank above all men as the greatest world benefactor who has ever lived; because he will have laid the axe to the root of the tree and banished man-killing from the civilized world. All the good done by any or all reformers pales into insignificance compared with the banishment of this appalling crime of crimes. The President has stood and still stands absolutely for international peace under the reign of law."

Claude Mauney left Sunday for Laurinburg, where they go to erect a dwelling for Dr. B. F. Falls, costing several thousand dollars.

Mr. W. E. Gardner, who has business interests at Wagram, in the eastern part of the State, moved his family to that place last week.

and Miss Annie May Stroup, daughter of Mr. Noah Stroup, near Cherryville Wednesday evening. The ceremony took place at 7:30 o'clock and was witnessed by quite a number of the close friends and relatives of the contracting parties. Rev. D. H. Reinhardt, of Bessemer City, officiated and the ceremony was a simple but very impressive one. Miss Zona Stroup, a cousin of the bride, played the wedding march. The only attendants were Mr. Sam Hovis, of McAdenville, a brother of the groom, who was best man, and Miss Lola Guffey, of Rutherfordton, a cousin of the bride, who acted as maid of honor. The parlor was quite prettily decorated in ferns and potted plants, the main feature being a large wedding bell of lilles and ferns, under which the bride and groom stood during the Yesterday taking of the vows. morning a reception was tendered the bride and groom at the home of the groom's mother, Mrs. Sallie Hovis, near Bessemer City. It was a delightful occasion and was attended by quite a number of their friends. The groom is a prosperous young farmer living near Bessemer City while the bride is an attractive and popular young lady of her community. Both have many friends whose best wishes will go with them to their new home.

Ward Meeting To-Night.

A meeting of the voters of ward six will be held at the city hall tonight at 8 o'clock for the purpose of nominating a school commissioner and a member of the executive committee for the ward. Every voter is urgently requested to be present.
