Gastonia is to be visited this afternoon by the celebrated Free Exposition Train "Arkansas on Wheels," a big train of 11 coaches, which is said to be a veritable traveling exposition. Four of the cars are filled with displays of the products and resources of Arkansas. The big red apples, the corn, the pumpkins, the peaches, alfalfa, the aluminum, gold, zinc, diamonds, pearls, together with a magnificent piano made from Arkansas native oak, a big brass band of twenty pieces, sweet singers, etc., some of the attractions aboard this Arkansas train and they have asked us to say that there will be absolutely no charge and no way to spend a cent aboard the train—Everything is FREE, even to a nice sack of the celebrated Arkansas unpolished rice, which will be given to every housekeeper who visits the train. The train arrives here at 4 o'clock this afternoon and will remain one hour. On board the train are 125 representative citizens, both ladies and gentlemen, there are farmers, lawyers, doctors, bankers, merchants, State, county and municipal officers, and they have asked that they may have the privilege of meeting the people of this city and county while here. Be sure to go and see the Arkansas Travelers aboard their celebrated train. Gastonians should avail themselves of the opportunity to visit this train and learn something about Arkansas and its products. BRINGING INQUIRIES. Results of Gaston Advertiser Campaign Already Beginning to be Felt. The Chamber of Commerce has received some inquiries from Michigan farmers wanting information regarding farming opportunities in this section, prices, etc. They were attracted to Gastonia by an editorial in a Northern paper regarding The Gaston Magazine and the Greater Gaston County Association. In this connection the Greater Gaston Association and the Gastonia Chamber of Commerce expects to list at the earliest possible moment all available farms for sale and factory sites, showing in each case the location, size and giving a price that is good for one year, subject to prior sale only. How Catarrh is Contracted. Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.—Adv.

GASTON IN THE EIGHTIES

Interesting Events in the County Thirty-Odd Years Ago as Recorded in the Gazette—To Which is Added State and General News Notes and Some General Reading Matter That Proved of Interest a Third of a Century Ago.

SEVENTIETH INSTALLMENT.

Local Dots. (From The Gazette of Dec. 3, '81.) Mr. R. M. Martin has been appointed postmaster at Gastonia, vice F. S. Hanna resigned.

Mr. W. W. Jenkins, the Charlotte postmaster weighs 191 pounds. The Gastonia postmaster weighs 103 pounds. Our postoffice ought to be placed on wheels in order to change it from one street to another monthly, and with greater ease.

Rev. G. W. Callahan has been transferred from the Dallas circuit to Mt. Airy in the Statesville circuit. From some cause unknown to us the preachers don't stay long in this section.

Mal-Administration.

(From The Gazette of Dec. 3, '81.) The town council is fixing to get into trouble. It is collecting taxes from property, cotton weighing, fines and various other sources without making any statement or keeping proper account. It has elected one of its body for a street overseer who is working principally in certain places, for the enhancement of certain private property. One-half of the main thoroughfare is seldom worked. It is too bad. Who will enforce the law? It requires two days when the overseer works the street on the level part, and 37 minutes to work the rough half of the town.

\$10,000 in Cash Changes Hands.

(From The Gazette of Dec. 3, '81.) We have always believed that the natural situation of Gastonia would cause it to become a city at no very distant day. We believe before the ending of another decade our fond expectations will have been realized. Mr. J. Rankin Falls bought on Wednesday the Kee Hotel for \$4,500. Hon. D. A. Jenkins bought a square of unimproved property for \$640. Mr. John H. Craig bought the Hanna place for \$1,000. Mr. R. M. Martin bought the Adams office of Mr. Groener for \$175. Of the Chalk estate, lots were bought in values as follows: J. H. Craig, \$328.75; R. H. Adams, \$238.54; J. P. Glenn, \$202.88; O. W. Davis, \$57; A. S. Bradley, \$34; J. Q. Holland, \$137.50; M. L. Rhodes, \$150; T. M. Paysoux, \$20; G. W. Chalk (for estate), \$513.50; W. C. Huddlestone, house and lots, \$300, and M. C. Bradley, \$74.

The Oldest Grants.

(From The Gazette of Dec. 3, '81.) While at Raleigh in attendance on the Supreme Court, Col. H. C. Jones went to the trouble to hunt up in the secretary of state's office, the records of the oldest grants of land in this section of Western North Carolina. He kindly furnishes the following:

Grant to Jno. M. McConnell on the south side of the Catawba, in 1750; grant to Andrew Allison, for land on Indian Camp creek on south side of the Catawba, in 1752; grant to Jas. Armstrong on South Fork of Catawba in 1756; grant to John Alexander in 1752, on North Fork of Thickety creek, in Rutherford and Cleveland counties; grant to John McConnell in 1750 on south side of Catawba; grant to Tyree Harris on South Fork of Catawba, March 31, 1759; and another on Sept. 13th, 1759; grant to Wm. Morrison on East side of the Catawba in 1756, grant to Robt. McDowell on Sugar Creek in 1756.—Charlotte Observer.

Married.

(From The Gazette of Dec. 3, '81.) In York county, S. C., Nov. 30th, by Rev. J. R. Peterson, Mr. A. L. Lineberger and Miss Ida Rebecca Davis.

On Thursday, Nov. 24th, by Rev. J. J. Kennedy, Mr. Isaac Perkins and Miss Elizabeth Morton.

November 27th by W. O. Harrelson, Esq., Miss Barbara Wright and Mrs. Isaac F. Putnam.

Thursday, December 1st, by Rev. Mr. Douglas in York county, Robert Love, of South Carolina, to Miss Abigail Bradley, sister of E. H. Bradley, of Gastonia township.

Local Dots.

(From The Gazette of Dec. 10, '81.) Cotton steady, middling 11-12c. Flour from wagon \$3.85. Corn in demand at \$1.00. Fresh pork by the hog, 8 to 8 1/2-2 cents. Butter, 18 to 20 cents. Chickens, 15c and eggs 15 cents.

Mr. John C. Puett has sold out his mill property in Dallas to Clemmer Brothers, of Gaston county.

Miss Sallie Shrum, of Catawba county, is visiting Mr. J. B. Beal on Main street.

Miss Sallie Craig, daughter of Mr. J. H. Craig, took the first honor at Salem School last week in a contest for the best sewing on a machine.

The first steeple ever raised in Gastonia is now nearing completion on the Academy building which is also nearly finished. The building presents a very attractive appearance and will be ready for the "Christmas tree."

Despondency.

When you feel discouraged and despondent do not give up but take a dose of Chamberlain's Tablets and you are almost certain to feel all right within a day or two. Despondency is very often due to indigestion and biliousness, for which these tablets are especially valuable. Obtainable everywhere.—Adv.

DO YOU WANT PEACE WITH WILSON OR WAR WITH HUGHES?

There is only one choice as against peace, and that is war. Some of the supporters of that (the Republican) party, a very great body of the supporters of that party, outspokenly declare that they want war; so that the certain prospect of the success of the Republican party is that we shall be drawn in one form or another into the embroilments of the European war, and that to the south of us the force of the United States will be used to produce in Mexico the kind of law and order which some American investors in Mexico consider most to their advantage.

There is a more serious aspect even than that. There is an immediate result of this thing, my fellow-citizens. From this time until the 7th of November it is going to be practically impossible for the present Administration to handle any critical matter concerning our foreign relations, because all foreign statesmen are waiting to see which way the election goes; and in the meantime they know that settlements will be inconclusive.—From President Wilson's Address to the Young Men's Democratic League at Shadow Lawn, Sept. 30.

All the Way from Buncombe.

(From The Gazette of Dec. 10, '81.) Last Thursday a little covered wagon was seen on the streets of Gastonia loaded with chestnuts and apples. It was drawn by an animal similar to Balaam's "mule" and a male cow. On inquiry it was learned that it came all the way from Buncombe county.

Musical Concert.

(From The Gazette of Dec. 10, '81.) The Gastonia Cornet Band will give a musical concert for the benefit of the Gastonia Academy on Wednesday night, the 28th. This is a laudable enterprise and now let all who appreciate good music and encouraging such institutions not fail to attend.

Lowell, N. C.

(From The Gazette of Dec. 10, '81.) This place is fast growing in importance as a manufacturing town. They will soon have about \$600,000 invested in manufacturing there. The factory of Col. McAden is progressing finely. The Lineberger Mills are running night and day. They are receiving orders from Manchester, England, and Stockholm, Sweden. A nice sketch of manufacturing on the South Fork will appear shortly in The Gazette.

(To Be Continued.)

DON'T BE BALD

Here's a Good Way to Stop Loss of Hair and Start New Hair Growth.

If the hair root is absolutely dead, permanent baldness will be your lot, and you might as well cheer up as to bemoan your fate.

If your hair is falling or thinning out, don't wait another day but go to J. H. Kennedy & Co. and get a bottle of Parisian Sage, the truly efficient hair grower.

"Don't say, 'It's the same old story; I've heard it before,'" but try a bottle at their risk. They guarantee Parisian Sage to grow hair, stop falling hair, to cure dandruff and stop scalp itch, or money back.

Parisian Sage contains just the elements needed to properly invigorate and nourish the hair roots. It's a prime favorite with discriminating ladies because it makes the hair soft, bright, and appear twice as abundant. It is antiseptic, killing the odors that are bound to arise from excretions of the scalp and, as everyone knows, sage is excellent for the hair and scalp.

Parisian Sage is inexpensive and easily obtainable at drug and toilet counters everywhere.—Adv.

SEPARATE YOUR MONEY into two parts. One to contain the cash for your needs, the other the amount you can spare. Bring the second pile here and open a savings account. If you keep it by you it is apt to be frittered away needlessly. In this bank it will go to work for you. It will not grow less. It will grow more.
