MISSES CRAIG ENTERTAIN.

Correspondence of The Gazette. UNION, July 31.—At their home one mile south of Union Misses Ila and Epsy Craig entertained in a most delightful way, about sixty of their friends at a lawn party Friday night, July 27. Progressive rook was played at several tables. The sports cards were hand-painted. Little Miss Margaret Neely Craig and Master Fred Ratchford presented to each guest their fortune, which furnished much amusement. Japanese lanterns furnished a very brilliant light for the occasion. Ice cream and cake were served and the evening passed very rapidly.

It has been demonstrated, for example, that chronic infection in a tonsil or an abscess at the root of a tooth may be, and frequently is, the source from which an articular rheumatism or an acute valvular disease of the heart has its origin.

GASTONIA AND GASTON

LATE EVENTS IN TOWN AND COUNTY

Family Reunion.

A family reunion will be held at the home of Mr. Oscar L. Rhyne, on route four, on Saturday, August 11, the occasion being the 16th birthday of his mother, Mrs. Mary A. Holland. Friends of the family are invited to attend and bring baskets for a basket dinner.

A Scholarship for Gaston.

Supt. Hall announces that Gaston county has a vacant agricultural scholarship to the North Carolina State College of Agriculture and Engineering. The value of this scholarship is \$45 and is renewable for three years additional, which will make it worth \$135 in all. A young ambitious boy in Gaston county ought to take advantage of this offer. Any young man interested in this proposition can get the desired information from Supt. Hall.

County Teachers' Institute.

The county institute for teachers will be held in Gastonia from August 27 to September 5. The conductor has not been announced but it will be one of the members of the board of examiners. All teachers are required to attend the institute. Much good has been done for the cause of education by this work in the past. Every teacher in the county should take advantage of this opportunity to improve his or her methods of teaching. The institute for colored teachers will be held at the same time.

Revival Services.

A series of revival services will be commenced Sunday, the 5th, at Franklin Avenue M. E. Church, South, and will continue through Sunday, the 19th. Rev. E. P. Stabler, the pastor, will do the preaching. The Gazette is requested to state that, inasmuch as Franklin Avenue is closed to vehicles at this point persons coming from the country in buggies or machines can hitch or leave their cars in a grove near the church belonging to Mr. Willie Bradley, he having tendered the use of this property for this purpose. The public is cordially invited to attend.

McLendon Meeting Closes.

"McLendon" McLendon's big tent meeting at Clover closed Monday night with a crowd estimated at between 5,000 and 6,000 people. The last sermon was especially for the negroes and the crowd was largely made up of them, though many white people were also present. The tent would not accommodate all who came. McLendon was given a purse amounting to a little over \$1,100 while the expenses amounted to a little more than \$600. During the meeting quite a good many Gastonia people were in attendance. Mr. McLendon and party were in Gastonia a short while yesterday morning.

Harry Shuford Operated On.

Mr. Harry Shuford, formerly with the Citizens National Bank but now a member of the Machine Gun Troop here, was operated on yesterday afternoon at the Presbyterian Hospital, Charlotte, for appendicitis. He stood the operation well and a phone message from the hospital this morning stated that he rested well last night. Mr. Shuford suffered a sudden attack of appendicitis Monday and was found to be in a rather serious condition. The promptness with which he was operated on, however, led his physicians to believe that he will recover rapidly.

CAMP GASTON NOTES.

Gazette Bureau, Camp Gaston, July 31. The non-commissioned officers of Company B presented to the parents of their much-loved sergeant, the late Charles W. Adams, a beautiful wreath of flowers. The company attended the funeral in a body. The new men at the camp are getting along fine in all their drills and the officers of the company are much pleased with the progress of the work. The only trouble that has arisen since camp was formed was the fight between our mascot, which is a big bull dog, and a large shepherd dog which was strutting around the camp without a passport. One squad of men was detailed to quell the disturbance and same was done without any casualties.

Miss Vista Lindsay will leave tomorrow to spend a few days at York, S. C.

RED CROSS

...DEPARTMENT...

The attendance at the work room on Friday was small, owing perhaps to the intense heat. Quite a number of workers were present Friday night. The Eight Weeks Club held their meeting at the work room and these interested, enthusiastic young people were very welcome indeed. Those in charge of the room extend a cordial invitation to any club who will hold any or all of their meetings at the work room. Much of good may be accomplished in a few hours, and the dressings, etc., which are made are veritable life preservers to those tossed by the storms of war. A box of muslin dressings has been prepared and is ready for shipment this week.

Everything in the way of white cloth is needed at the work room. The smallest of white scraps can be utilized. One interested and capable worker keeps a bag near her sewing machine in which she places the white scraps, ravelings, etc., left from her sewing. These tiny scraps, too small for use in the home, are clipped into shreds at the work room and mixed with cotton to stuff fracture pillows. The very tiny girls who wish to help may do this work. Every little girl likes to clip with scissors.

The ladies of the town are urged to go through their scrap bags and select every fragment of clean white cloth to be sent to the work room. If a special Red Cross scrap bag were hung in a convenient place in every home and every scrap of clean white cloth placed in it and sent regularly to the work room these left-overs that are so often burned could be used to a splendid advantage. And let us remember that workers are needed as well as material with which to work.

On account of the death of Mrs. E. W. Gilliam's brother, the work room was closed on Monday, this being Mrs. Gilliam's day to supervise. Work was resumed on Tuesday afternoon.

In our cool, comfortable homes let us try to visualize the men in the trenches, to imagine the agony and weakness of a flowing, tortuous wound; and let us rejoice that in Gastonia there is a work room open to which we may go and do the "bit" which is pleasant to do, and exceedingly small in comparison to those things that the women of war-ridden Europe are compelled to do.

McAdenville Matters.

Correspondence of The Gazette. McADENVILLE, July 31.—Mr. Charley Hooper, of Charlotte, and three of his children spent Sunday with his sisters, Misses Eliza and Daisy Hooper.
