Health For You

Or not a single penny of cost, because we will pay back—shall esteem it a privilege to do so—every cent of your money unless you are in every way satisfied with the remedies we sell you. No red tape, no formality, nothing to sign, no hesitation—your money back unless "Revall Remedies" do all for your health that you expect them to. That's how much faith we have in them. We can't do more than that. You can't ask more. We prove our faith. We believe in Revall Remedies and believe they will come nearer helping you than any other. Can you afford to experiment with other remedies in the face of this guarantee? Here are a few of the most widely used of the more than 300 Revall Remedies—each specially compounded for the treatment of a particular ailment.

FOR NOSE and THROAT

Neglect of catarrh tends to aggravate it and cause a spread of trouble to the other organs, particularly the stomach and bowels. For catarrh, whether chronic or local, we recommend

REXALL MUCU-TONE.

In combination with Revall Catarrh Tablets or Revall Catarrh Jelly, or both, as conditions demand, Revall Mucu-Tone is a general tonic treatment to stimulate the kidneys, regulate the bowels and overcome the various disturbances in other organs that have been caused by and which are being aggravated by such discharges from the mucous membranes of the nose and throat as have gotten into the alimentary canal. Revall Mucu-Tone should accompany the local treatment in all cases of catarrh in order to insure the most thorough and quickest results.

REXALL CATARRH TABLETS to be dissolved in water and used as a douche or spray—are to insure surgical cleanliness. They are antiseptic and have a gratefully soothing, cleansing action on the mucous lining of the throat and nose, helping to reduce inflammation and pain.

REXALL CATARRH JELLY is for the pain and the stopping up that comes from the head-colds, which are usually worse when the patient has the catarrh, soothing, cleansing, antiseptic—it helps to promptly clear out the passages, to relieve the pain, and to make breathing much easier. We believe the ideal treatment for catarrh is Revall Mucu-Tone in combination with either Revall Catarrh Tablets or Revall Catarrh Jelly, or both. Revall Mucu-Tone, 50 cts., and \$1 Revall Catarrh Tablets, 50 cts. Revall Catarrh Jelly, 25c.

FOR SCALP and HAIR

There is nothing on which beauty more greatly depends than upon the condition of the hair. For glossy, luxuriant, beautiful hair, we most heartily recommend

REXALL "93" HAIR TONIC.

This is the favorite above all other preparations we have sold and its popularity is well deserved. It contains powerful local stimulants and antiseptics and other ingredients that help to cleanse and soften the hair and to preserve its natural color, and to soothe, heal and stimulate the scalp. Revall "93" Hair Tonic promotes a healthy circulation of the blood throughout the roots and the scalps of the hair, thus helping nourish both hair and scalp, tending to make both healthy and to make the former thicker and longer and in every way more beautiful. Revall "93" Hair Tonic has a very pleasant odor, and does not grease or gum the hair. To overcome the tendency to baldness and to help to prevent baldness, we believe it has no equal.

To better insure the health of the hair and scalp they should be carefully and thoroughly washed once a week—not oftener. For this purpose REXALL "93" SHAMPOO PASTE is unsurpassed. It soothes and tends to invigorate the scalp, removing dandruff, cleansing the pores, making the hair soft, silky and naturally fluffy. Perfumed with a faint, pleasant odor—just enough to please. Revall "93" Shampoo Paste is in every way a high class preparation and the most delightful and desirable shampoo you can use. Revall "93" Hair Tonic 50c and \$1.00. Revall "93" Shampoo Paste, 50c.
