

The
American Trust Company

Extends a Most Cordial Welcome to
Soldiers, Visitors and New Citizens.

Our ample capital, favorable connections, convenient location and large corps of efficient assistants who are trained to courtesy and the transaction of business in the simplest, most direct manner enable us to offer a most satisfactory service to those desiring to transact banking business, large or small.

Accounts, subject to check, large or small, are invited. We conduct a Savings Bank Department in which we pay interest at the rate of 4 per cent per annum, compounded quarterly. Deposits are accepted in any amount from \$1 up.

Our large banking room enables us to offer special facilities to officers, soldiers and visitors who are coming to Charlotte, and we will maintain in our banking room a bureau of information, giving prompt and efficient service to all those who desire to call on us. In the rear of our banking room we have a large writing room about 30 feet square, which the visitors and soldiers are invited to use for any letters they desire to write while in the city. Other facilities are at their disposal.

We have a large number of safe deposit boxes which we offer for rent for storage of valuables and other papers at very low prices, ranging from \$2 to \$10 per year.

Please remember our bank is located on South Tryon Street, in the center of the city. The above picture of our building will enable you to locate us easily.
