HEALTH

DISPLAY HEALTH EXHIBITS. Health exhibits are now on display the following camp buildings:

at the following camp buildings:
Postoffice.
American Library Association.
Liberty Park. Recreation Hall.
147th Inf. U. S. R. Post Exchange.
Y. M. C. A., 102, 103, 104, 105,
106, and base hospital.
The stereomotograph will show the studying.
The stereomotograph will show health pictures free at the Liberty park recreation hall this week begining Tuesday. night. The stereo is in operation practically all hours during the day and evening and the attendant will be pleased to give addeding the day and evening and the attendant will be pleased to give addeding the day and evening and the attendant will be pleased to give addeding the day and evening and the statement will be pleased to give addeding the day and evening and the statement will be pleased to give addeding the day of the statement of th

SPIROCHETA PALLIDA.

SFIROCHETA PALLIDA.

"A pox on you" was a curse, during the latter part of the middle ages. To have those spiragheta pallida in one's blood causing a pox on one is dannation enough for anyone. That is a word—and it can be avoided—for anyone. That is a word—and it can be avoided—for spinlist is a preventable disease. Syphilis, sometimes called the pox is caused by a tiny germ scientifically known as the "spiracheta pallida" the pox is caused by a tiny germ scientifically known as the "spiracheta pallida" the pox is caused by a tiny germ scientifically known as the "spiracheta pallida" the pox is caused by a tiny germ scientifically known as the "spiracheta pallida" the pox is caused by a tiny germ scientifically known as the "spiracheta pallida" the pox is a pox of the pallida by the pox is a pox of the pallida by the pox is a pox of the pallida by the pox is a pox of the pallida by the pox is a pox of the pallida by the pallida by the pox of the pallida by the pox of the pallida by the pallid

tations are extremely unlikely to appear.
Certain nerve cells in the spinal cord regulate the control of muscular action. These cells are the favorite prey of the poison of sphills in its late stage and when destroyed cause the condition known as Locomotor Actatol of the muscles. Probably more than 95 per cent of Locomotor Axiaxia is due to syphilis.
The brain is made up of counties delicate nerve cells. The cells may be attacked and destroyed by symptoms have disappeared. Since it is impossible for new cells to grow in their places, these functions of the brain regulated by them are destroyed. Twenty-flye per celt of the insanity of the Upited States is due to this cause.

cause.

A frequent cause of miscarriage is syphilis in the parents. In other A frequent cause of miscarriage is sphills in the pargents. In other cases the child is born at full term, but is weakened in body and mind, or deformed and wholly incapable of making a living. All persons who have reason to believe they have traces of the disease remain before marrying. By means of blood tests and other examinations a physician will be able to assist you in determining this question.

Most 'people acquire syphillismost physician will be able to assist you for the property of the control of the

mining this question. Most 'people acquire syphilis through sex relations; others by intimate contact, as kinsing; and some through 'contact with infected towards, and the contaminated eating unsents at a distinct on the contaminated eating unless at the contaminated eating the contaminated eating the contaminate at a contaminate at the contaminate at t

"PUTTING THE GRIN INTO THE FIGHT!" (At Washington.)

Your shots are very wild, I think I'll transfer you to the artillery where you don't have to see what you are shooting at.

herited the disease from their parents. Syphilis is one of the more results. Syphilis is one of the more results. Syphilis is one of the more results of the system of the system of the system of the system of transmissible to the offspring and causes death of most of those so infected—is one of the principal causes of insanity—is the cause of parents of the insance—is the cause of results of the insance—is the cause of a large proportion of diseases of the heart, blood vessels is the cause of a large proportion of diseases of the heart, blood vessels and other vital organs. Most prostitutes, (public and private) have had syphilis should never be thought of as the "shameful disease"—not as disease, but as immoratily is shameful.

BASE HOSPITAL BREVITIES.

The barracks baseball league is one of the most flourishiny institutions at the base bospital. In the early part of the spirited race the nine from barracks No. 7 defeated the men from barracks No. 3 by a score of 7 to 1, while barracks No. 6 drubbed the stick and mit arrists of barracks No. 5 by a 4 to 1 score.

Capt. Thomas Crowe delivered an inspiring lecture at the organization of the control of the cont The barracks baseball league is or

There are now four. Bible classes which hold weekly discussions at the hospital Y. M. C. A. In addition to the classes for surses, patients and detachment men there is a class made tachment men there is a class made making an intensive study of the Old Testament.

Rev. E. O. Smithdeal is the new religious secretary at the base hospital Y. M. C. A. He is in charge of the religious work among convalencement.

the religious work among convalescents.

"The Four Square Man" was the subject of the warm religious address delivered by Dr. McClung, the Prespectation of the warm pastor, at the Sunday evening services at the Y. M. C. A. Nurses Damont and Shook sang a duet as a musical feature.

Nurses Damont and Shook sang a duet as a musical feature, and up a fully equipped tailor, shop in barracks No. 5.

Supply Sergeant Moore has establements

racks No. 5.
Supply Serreant Moore has established his office in barracks No. 6.
All the men of the detachment have been assigned their identification numbers. There is a cheery thought in the fact that these numbers are for identification in case we are shot.

ELEVENTH MACHINE GUN BATTALION

Company B has a boy wonder in the sixth squad in Carl Czarek, and Van Alken says he knows it. Also drilling recruits. He craves rank we have a sawmill in Private Picard, and "Buffalo Bill" is still on the job capecially since he received his automatic.

Crenin has the dreams of being rich some day. Some squad.

HEADQUARTERS CO., 39TH IN-FANTRY.

The morning-was told and black and with each man as quiet as a mouse. The intense silence seemed to hold the new recruits spellbound. All at once a terrible rumbling was beard.
"An earthquake," some one cried.
Each man gripped his rifle tightly
and set his jaws. Steady, men, it was
only Private Ross answering roll cail.
If there is anything you want to
know, ask Yory. He has been through
the mill.
For a transfer at once a terrible rumbling was beard, "An earthquake," some one cried.

the mill.

For a good definition of a pencil, see Sergeant Tagliabud of the Pion-

Sergeant Hall says he takes a cold hower every morning when the rater is warm.

"What did you do on the outside?"

"Oh! just loafed."

"Put him in the intelligence squad, ergeant."

sergeant.

Sergeant Cassidy has become quite a magician. Last week he changed a distribution of the sergeant o ay the bugler forget to blow first If the next morning. Captain to Pvt. Goff: "What's your

Captain to Pvt. Goff. "What's your name?"
Pvt. Goff: "Goff, sir."
Captain: "What rank?"
Pvt. Goff: "Rear rank, sir."
Sergeant Cleveland says they call them doughboys, because they knead the dough.
Korgeant Jewell, like Caesar, knows he name of every man in his combaind. They are good saidlers, too, sergeant—both of them.

The man worth while Is the man who will smile. When the first sergeant mentions The old wood pile.

ITEMS OF CO C, 58TH INFANTRY.

ITEMS OF CO C, 58TH INFANTRY.

Segeant Linkus, our famous comedian, refused to entertain the fifth squad, because his Chicago girl failed to answer his special request. We were very inquisitive.

Corporal Sanders is transferred to Headquarters Company. We all felt sorry to see him go.

Bugler Martin returned from his furlough: last week. We were very glad to see him back again.

Privale Hersche is still in the signal school. He enjoys his Sunday K. P. very much.

Cook Hafaki, the famous kitchen artist, is busily engaged instructing the new men. We all love him very much.
