### HEALTH AND EFFICIENCY.

HEALTH AND EFFICIENCY. The soldier who purposely or un-rade sick is just helping the acom-rade sick is just helping the com-rade sick is just helping the dis-eases which caller are due to their own careleamens or the careless-ness of their comrades. During the winter months a large number of the men of this camp have been secured from duty and their training because of diseases which could easily sol-dier followed the ordinary rule of diseases which could easily sol-dier followed the ordinary rule of haces of comrades or enpitting in and about the tents.
