

**BOSTON OPERA STAR  
TO SING AT THIS CAMP**

Mrs. Margaret Chapman, Noted Singer, Has a Week's Engagement to Give Programs Here.

Camp Greene soldiers are to have another opportunity to hear an unusual singer. Mrs. Margaret Chap-

man, who for a number of years was soprano of the Boston Opera company and a singer of great charm and reputation, will be in camp from May 1 to 7, inclusive. Mrs. Chapman will sing in the various "Y" buildings during her stay here, and will delightfully entertain a large number of soldiers.

Mrs. Chapman is another example of the talented musicians who are dedicating their ability, time and money to the men in the camps who are preparing to do their duty on the battle front. She is not only a musician of national fame, but a charm-

ing woman who will appeal to the hearts of men. Her presence in the camp will furnish both pleasure and exquisite entertainment.

According to the schedule announced from Y. M. C. A. headquarters by J. T. Mangum, camp social secretary, Mrs. Chapman will give her first program on Wednesday night at "Y" 106, at 8:15 o'clock. On Thursday night she will sing at the base hospital; on Friday night at building 184; and on Saturday night at 105. Her subsequent engagements will be announced later.
