ATTENTION!

Mr. Farmer

We are now in a position to trade with you on your 1943 Fertilizer requirements.

Due to the acute Labor, Gas, Tire and Truck shortages it is extremely doubtful if we will be able to deliver by truck to all of our customers their fertilizer requirements in time for use unless you make preparations immediately to take in your fertilizers. Therefore, the great importance of your contacting us and our agents immediately—making your trades and letting us start delivering your fertilizers.

The Above Is Very Important

We make only the best of fertilizers and in formulating our fertilizers use only materials that are beneficial both to your crops and land.

See us or our agents promptly for your requirements and advise us to deliver immediately.
