

It'll cost you an extra \$100 Bond

To look him in the eye!

**HE'S AN AMERICAN SOLDIER.**

Some day, if God is with him, he'll come home. And when he does, you'll get the biggest thrill of your life if you can look him squarely in the eye and say, "I couldn't help you fight—but I did everything in my power to help you win!"

There's only one way you *can* say that... honestly say it. And that is to help him win *now*... when he needs all the help you can give him.

Today's particular job for you is to scrape together

every dollar you can—and buy an *extra* \$100 worth of War Bonds! That's *your* job in the 3rd War Loan!

It's not enough to buy your regular amount of Bonds. It has to be *more*. It has to be an *extra* buy—a little *more* pressure for the shoulder that's against the wheel.

REMEMBER THIS—you aren't *giving* your money. You're *lending* it to the government for a while. And you're making the best investment in the world.
