**"MAN SHALL NOT LIVE BY BREAD ALONE"**

**ALSO . . . FEED YOUR CHILD SPIRITUAL FOOD**

**IT IS NOT RATIONED**

There has been much talk of late about food rationing. It is true that this is a very necessary step in our war effort, but there is another form of Food, Spiritual Food, on which there is no ration—now or ever. It is true that evil dictators ruling in the aggressor nations made an attempt, which has been successful to a degree, to more than ration it. They have gone so far as to make freedom of religion and freedom of thought an offense punishable by death.

The God fearing people of this great nation have no fear that there will ever be any restrictions placed on the consumption of spiritual food within our borders. They gain this quiet assurance in Church. Everyone has his moments of indecision, when the next step and what it will lead to is not clear. Yet every question has an answer . . . every problem its solution. That's what spiritual nourishment is for . . . for guidance, for leadership, for helping. There's benefit for young and old in teaching based on principles as unchanging as time.

"I am the bread of life: he that cometh to Me shall never hunger; and he that believeth on Me shall never thirst."
