**Farm Bureau Announces Scholarships**

Julian P. Barnes, president of the Hoke County Farm Bureau, this week announced the availability of two scholarships to recipients meeting the requirements.

Scholarships from the Lloyd T. Weeks Endowed Scholarship Fund at N. C. State University and the North Carolina Farm Bureau R. Flake Shaw Memorial Scholarship Loans are offered.

Loans from the Shaw fund are made for up to four years of schooling provided a student is regularly enrolled in school and is making satisfactory grades. Each loan is \$500 per school year.

Eligibility requirements will be based on need for financial assistance; satisfactory scholastic record, leadership potential and character. Preference will be given to Farm Bureau family members.

There will be no interest payable on these scholarship loans until the participant is in the position to have his or her own income.

Applications should be submitted to the Hoke County Farm Bureau by April 1, Barnes said.

The Weeks fund was established to help deserving students in agriculture at the State University in Raleigh. Recipients must be residents of the state represented in the flue-cured tobacco area.

Scholarships will be awarded on the basis of financial need to deserving students who meet NCSU requirements and standards.

Recipients may be undergraduates, two-year agriculture institute students or graduate students pursuing a course of study in the School of Agriculture and Life Sciences.

Applicants should contact Fred C. Bond, Chairman, Scholarship Committee, P. O. Box 2718, Raleigh, N. C.

**Mrs. Altman Named Easter Seal Treasurer**

Mrs. Johnnie Altman has been named treasurer of the 1970 Easter Seal Appeal in Hoke County, which will begin with 1,300 appeal letters delivered the week of March 1.

The Appeal, now in its 35th year in North Carolina, seeks funds for providing rehabilitation services for crippled children and adults.

Easter Seal Societies nationwide last year in their service programs assisted 253,000 handicapped individuals including more than 3,300 North Carolinians. Most of the services are provided on the local level by Easter Seal volunteers interested in the handicapped in their own communities.

Primary emphasis in the Easter Seal program in North Carolina is in equipment loan pools - wheelchairs, walkers, crutches, purchase of therapy and other care; transportation to medical centers; and various other special individual needs.

Additionally, 200 handicapped youngsters and young adults attend Camp Easter-in-the-Pines in Southern Pines each summer.

Mr. and Mrs. W.F. Lucas of Sanford visited Mrs. Ina Crouch Saturday.

**Mrs. Mary Odom Files**

Mrs. Mary H. Odom, Scotland High School teacher, has announced her candidacy for Representative to the House, General Assembly of North Carolina, from house district 24. Mrs. Odom paid her filing fee at the Scotland County Board of Elections office in Laurinburg Thursday.

"Those of you who know me," stated Mrs. Odom, "realize that my reason for campaigning for this office rests largely upon my concern for the children of North Carolina. Most of my life I have been involved in school work. As parent, teacher, and citizen I have actively promoted the cause of better education. This election offers another possibility to extend my efforts to make education relevant to the needs of all children. I hope the people of Hoke, Robeson, and Scotland counties will allow me this privilege and I shall seek their votes to this end."

Mrs. Odom, age 49, is the former Mary Horne of Greenville, North Carolina and has lived in Scotland County for the past 28 years. She is the wife of L.W. (Dusty) Odom, Jr., deputy sheriff of Scotland County, and is the mother of three sons, Leggett W. III, Johnny, and Phillip.

A 1942 graduate of East Carolina Teachers College, Mrs. Odom holds an A.B. degree in secondary education, majoring in math and science. She has

been employed in the county for 17 years, having taught in Gibson, Wagram, Laurel Hill, and Laurinburg High Schools. She has been a member of the Scotland High School faculty

since the school opened three years ago. For the past eight years Mrs. Odom has been associated with the vocational education department as Industrial Cooperative Training Teacher - coordinator.

**Ancient oaks yawn at the sky. Magnolia scent drifts lazily by. And straw-bottom chairs on a broad veranda tempt the passer-by to sit a spell and rock. For 140 years this southern mansion has bathed in the gentle spring sun. Now, when bitter winter winds moan through the oaks, the gentle warmth of spring moves inside. Because this great house has electric heat. Gentle, even electric heat. It can move spring into your home too. Let us show you how.**
