

Hoke Boys Third In Track Meet

The Hoke High boys' track team had a bad day at Thursday's meet, coming in third behind E.E. Smith and Reid Ross. The scores: Smith 81½, Ross 49½, and Hoke 38.

The times for the team were slow, probably the slowest of the season.

Paul Hunt, though, won the mile and two mile runs, and Edward Watson and D. Cromartie won the shot put and discus throw respectively.

For second place, there were Watson in the discus, Cromartie in the shot put, and Ronnie McRae in

the mile. Also, Ronnie finished third in the 800 meter run.

Other finishers for the Bucks were Michael McPhatter, Willie Bridges, Robert Moody, and Jeff Lentz.

The Bucks' next meet is scheduled for Thursday in their home stadium.

Hoke Farmer Attends Tobacco Short Course

Billy Williams of Hoke County was one of 53 young tobacco farmers who attended a Tobacco Short Course conducted by the North Carolina Agricultural Extension Service with the assistance of a grant-in-aid from Philip Morris, USA.

O. Witcher Dudley, III, vice president, leaf, Philip Morris, USA, and Dr. J.E. Legates, dean, School of Agriculture and Life Sciences presented certificates to those who completed the four-day course.

The group made an all-day bus trip to Richmond, Va., to visit the Philip Morris leaf processing, manufacturing, and research facilities. All other sessions were held at the McKimmon Center on the North Carolina State University campus in Raleigh.

Williams' certificate is signed by Dr. Chester Black, associate dean and director of the North Carolina Agricultural Extension Service and Willie Featherstone, Jr., Hoke County Extension Chairman.

This Is The Law

USURY

Suppose that you are the owner of a small, incorporated business. You are short of cash, and can't get a loan from a bank, so you borrow from an individual. This lender is suspicious of your bad credit rating, and really puts it to you for interest - charges you 50 percent interest for a short term loan.

In desperation, you take the loan. However, when the time comes to repay, you don't have the money, and the lender takes you to court.

You defend yourself on the grounds that an interest rate of 50 per cent is higher than the law allows. That is, you argue to the court that the lender is guilty of usury.

Who wins? Your argument is to no avail. If you as an individual had borrowed at an illegally high rate, you would have a good defense. But it was your corporation which borrowed the money. Under N.C. law, the defense of usury is not available to a business corporation.

Physical Conditioning

Hoke County Parks and Recreation Commission is sponsoring a physical conditioning and weight training program for the first 15 adults (Ages 18 and up or high school graduate) who register.

The program will be held on Monday and Wednesdays 7-9 p.m. in the Hoke High School weight room. The class will start on Monday, April 19, and will conclude on Wednesday, May 26. Dan McGougan will supervise all training activities. Cost for the 24-hour class will be \$10 per person and a \$10 insurance fee if not previously purchased.

The program will include the following stations: bench press, squats, dead lift, neck machine, incline bench press, and a leg machine. All bars, weights, and belts will be provided. Also, if you are interested in sit-ups and rope jumping this will be included. Each person will be grouped and a record of your progress will be charted and maintained.

You can register at the Parks and Recreation office or at the first class session. Contact the Recreation office, or Dan McGougan for more information.
