

Outing For Handicapped Kids

John Torrence riding Candace Cameron's Babe. Miss Cameron, daughter of Bill and Rhenda Cameron, is the girl at the right. Jane Austin is at the left.

Staff photos
Students in the Hoke County schools' classes for the handicapped were given an outing Friday at the farm of Bill and Rhenda Cameron.

They rode horses, bounced on the trampoline, went on hay rides, rode bicycles, and had a hamburger-and-hot dog picnic for lunch.

Their teachers and other class helpers were guests of the Camerons also. These pictures show some of them doing what they don't get to do in class.

Mrs. Cameron is coordinator of programs for special children in the Hoke County schools.

Pam McGee riding Babe.

Babe is all set to give Sharon Graham a good ride.

Lynn Brock on the trampoline with Hoke High special education teacher Carol Ronalter.

Students and helpers back from a hay ride. Bill Cameron is the driver.

Billy Haselden enjoys biking on a sandy trail.

'Chow line' with helpers passing out hamburgers and hot dogs.

NCSU Chosen For Energy Graduate Program

by Mary N. Yionoulls

North Carolina State University is one of 25 colleges and universities across the nation that have been selected by the U.S. Department of Energy to administer an Energy Graduate Traineeship Program (EGT).

The program, which supports the training of students pursuing doctoral degrees in specific energy-related disciplines, is designed to help meet the nation's future manpower needs in energy areas.

NCSU will receive a grant of \$56,000 from the Department of Energy to fund the program.

Dr. Paul J. Turinsky, head of the NCSU nuclear engineering department, said the traineeship program will get underway this fall, initially in the general area of nuclear power systems analysis.

The program also supports the education of advanced nuclear engineering students in the areas of dynamic behavior and safety of reactors and nuclear materials studies.

Graduate students selected as trainees beginning this fall semester are Matthew B. Richards, a 1982 NCSU graduate and Scott A. Comes, a 1982 graduate from the University of Virginia. Both received their bachelor's degrees in nuclear engineering.

They will be working under the direction of Turinsky and Dr. J.M. Doster in the specific areas of nuclear fuel management and in the development of nuclear power plant simulators that can be used in the training of nuclear operators.

Work on nuclear power plant simulator models has been in progress in the department for several years with support provided by Carolina Power & Light Company. The Babcock & Wilcox Company has been supporting the department's research program in developing optimization techniques to assist in making nuclear fuel management decisions.

Both companies are expected to participate in the EGT Program through continued cooperative research and trainee assignments at their companies.

Turninsky pointed out that since the Three Mile Island accident, there has been renewed emphasis on the importance of nuclear power plant simulators in the training of reactor operators. He also said that a few percent reduction in nuclear fuel costs achievable through the

use of optimization techniques can result in millions of dollars in savings for each nuclear power plant and thus to utility customers.

The first university to own and operate a nuclear reactor: for educational purposes, NCSU now has in operation a one - million - watt PULSTAR reactor for teaching, research and public service programs.

NCSU has been a world leader in

the development of manpower for the nuclear energy industry. Since 1951, more than 700 bachelor's degrees, 270 masters' degrees and 75 doctoral degrees in nuclear engineering have been awarded by the NCSU School of Engineering.

Turinsky noted that NCSU nuclear engineering graduates are found in leading positions and in various phases of nuclear energy developments throughout the United States and the world.

Awards Given At Cub Pack Meeting

Awards were given and Den 2 staged a skit about camping, at the recent meeting of the Cub Pack. Den 2 also was named Den of the Month.

Josh Witherspoon won the award for having sold the most barbecue tickets. All boys who sold at least 15 tickets will receive a pocket knife each. The awards will be presented in June.

Plans for the summer were discussed at the meeting.

Awards were presented to the following: Danny Pagan, Wolf badge; Tom Wright and Detrick Mayer, Recruiter strip; Frank

Branch, Five Year pin; Shayne MacDonald, Matt Warren, and Rodney Williams, Gold Arrow points; Chris Gray, Bobcat badge; Patrick Furmage, Gold and Silver Arrow points; Josh Witherspoon, Silver Arrow point; Todd Branch, two Silver Arrow points; John Booker, Bear badge; Gray Hardman, Recruiter strip; Andrew Lamont, five Silver Arrow points; Scott Leandro, four Silver Arrow points; Nathan Stec, Wolf badge; Britt Barnhardt, Sportsman; Scott Edwards, Athlete; and Scott McInnis, Citizen and Arrow of Light.

Den 1 ... winner of the Attendance Award

Den 2 ... Den of the Month

Deaths & Funerals

Robert Lee Harrell

The funeral for Robert Lee Harrell, 62, who died May 25, was held Thursday afternoon in First Baptist Church of Raeford. Burial was in Raeford Cemetery.

Surviving are his wife, Mrs. Hazel Harrell; his son, Robert L. Harrell, Jr., of Southern Pines; his daughter, Lynn Harrell of the home; his brothers, Walker and S.K. Harrell of Mt. Airy, and John, Herman and Will Harrell of Raeford; his sisters, Mrs. Agnes Wall of Walnut Grove, Mrs. Frances Paul of Ellerbe, and Mrs. Alma Helphrey of Windsor, Mo.; and two grandchildren.

Mrs. Daisy Huggins

Mrs. Daisy Huggins, 86, died Sunday morning in Cape Fear Valley Hospital in Fayetteville.

The funeral was conducted Tuesday afternoon in Crumpler Funeral Home. Burial was in Bear Swamp Baptist Church at Lakeview, S.C.

Surviving are her son, Erastus Huggins of Shannon; her daughters, Mrs. Burnice Johnson and Mrs. Dorothy Taylor of Shannon; her granddaughters, Mrs. Hattie Todd of Shannon; her Brother,

Leslie Evans of Fayetteville; her sisters, Mrs. Hester Pollard of Apex, Mrs. May Brantley of Sanford, and Mrs. Blanche Jackson of Dillon, S.C.; 10 grandchildren; and 10 great-grandchildren.

Mrs. Doris Cornwell

Mrs. Doris Keith Cornwell, 53, died Monday in Greensboro.

The funeral was conducted Tuesday afternoon in Crumpler Funeral Home by Dr. John Ropp. Burial was in Raeford Cemetery.

Surviving are her daughters, Misses Sylvia and Andrea Cornwell of Greensboro; her mother, Mrs. Angus Keith; and her brother, Harold Keith, Sr., Wadesboro.

Worthy Monroe

The funeral for Worthy Monroe of New York was conducted Monday afternoon in Buie Funeral Home Chapel by the Rev. J.W. McRae. Burial was in Silver Grove Cemetery.

Surviving is his sister, Mrs. Dorothy Dawson of McCain.

Mrs. Ruby Pemberton

Mrs. Ruby Wood Pemberton,

55, of New London, formerly of Rockfish, died Friday at her home.

The funeral was conducted Sunday afternoon in Shannon Hills Chapel by Elders C.R. Andrews and J.E. Schwartz, and burial was in Guilford Memorial Park at Greensboro.

She is survived by her husband, Carl Pemberton; her daughters, Cindy Pemberton of the home, and Cathy Pemberton of Greensboro; her sisters, Ann Calcutt of Pinehurst, and Gertrude McKinnon of Cumberland; and her brothers, Howard Wood of Tampa, Fla., Worth Wood of Hope Mills, and Robert Wood of Rockfish.

Tax Seminar

A seminar on tax advantages of the Economic Recovery Act of 1981 will be held Thursday at 7:30 p.m. in the Hoke County Public Library by E.F. Hutton & Co., Inc.

Admission is free of charge but reservations should be made through Donna Chase, telephone 1-800-682-2562, as space is limited.
