

GIRL SCOUTS

Cadette Girl Scouts are meeting this year at Upchurch Junior High School on Thursday afternoons, from 3 to 4:30 p.m.

The Cadettes, in addition to exploring the five Worlds of Well-Being, Today and Tomorrow, Arts, People, and the Out-of-Doors, may also explore Adventures in Careers.

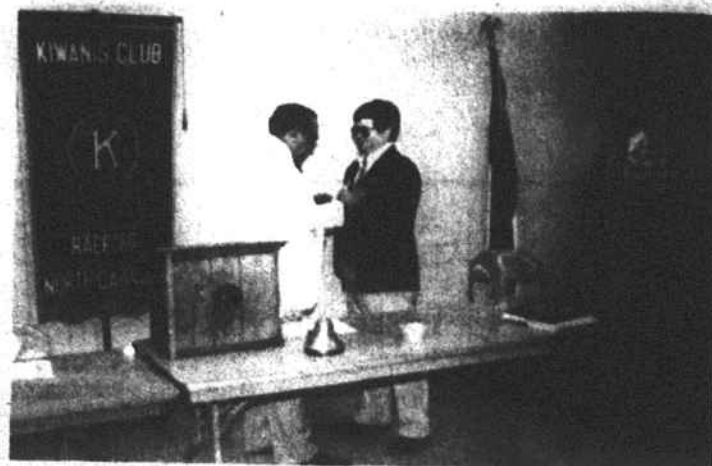

They learn to make plans for their troop projects and/or trips, make decisions, and most important, to give service to others.

One of the most important statements about Girl Scouts is: "To help girls: know they are of value, improve themselves where needed, open their eyes to all around them, know their friends and neighbors, and have some insight into their future possibilities." (Girl Scout Handbook.)

Any girl of Cadette age who wishes to join the Cadettes is always welcome to attend a meeting or call Billie Postel at 875-3881.

Cadette Girl Scouts meeting at Upchurch Junior High School. They're making name tags at what was their first meeting of the new Scout year.

INSTALLATION -- Ralph Huff [center] is shown being installed as 1982-83 president of the Raeford Kiwanis Club Thursday night by Kiwanis Division Lt. Gov. Bernard Lowery of Pembroke as John Leandro, installed as president-elect watches. Leandro will serve as the club's president for 1983-84.

The U.S.A. contains 204,696 miles of railroad track!
