McAllisters Hoke Chairmen Of Lung Campaign

Mr. and Mrs. John D. McAllister of Raeford have been appointed Honorary Christmas Seals Chairmen for the 1982 Christmas Seals Campaign in Hoke County.

McAllister is associate superintendent of Hoke County schools, and Mrs. McAllister is West Hoke School librarian.

The McAllisters' appointments were announced at a meeting of the Board of Directors of the American Lung Association of North Carolina, Mid-State Region, held recently in Southern Pines. The occasion marked the opening of the American Lung Association's 75th annual Christmas Seals Campaign, which is being conducted nationwide dur-

ing November and December.

Other Hoke County representatives at the 1982 campaign kickoff meeting were Ken Witherspoon, president of the Regional Board of Directors who presided over the 1982 kickoff meeting; D. Ralph Huff, III, second vice president of the board; Harold Stone; Mrs. Richard Neeley; and Mrs. Mary Brady. The latter three are members of the Regional Board.

McAllister states that "The American Lung Association is the nation's first voluntary health agency formed to fight a specific disease - Tuberculosis." "Today, contributions to the Lung Association support an expanded health program that not only continues its work to prevent and control TB, but also Emphysema, Chronic

Bronchitis, Asthma, occupational lung diseases and other respiratory conditions affecting both children and adults."

Christmas Seals are now being mailed to thousands of North Carolinians who annually contribute to this worthy cause.

McAllister states that "90% of the funds raised by Christmas Seals remains in North Carolina, with 70% of that amount available for local regional work. The other 10% is shared with the American Lung Association to help support national research projects and production of educational materials for use in North Carolina."

All Christmas Seals contributions are received and recorded in the Lung Association's central of-

fice in Raleigh and then distributed to the regional office for work in the local community from where the contribution came.

If you have not received a sheet of 1982 Christmas Seals, which this year includes coordinating gift package tags, it may be obtained by calling 875-3498/875-4106 or the Mid-State Regional Lung Association office, PO Box 726, Southern Pines, N.C. 28387 (tel. 692-3981).

Library News

A special observance of National Children's Book Week was celebrated at the Hoke County Public Library.

This was done throughout the regional system to commemorate the 20 years of Sandhill Regional Library System services for the month of November.

Also, filmstrips were shown at J.W. Turlington school on Monday and Tuesday showing the folks 'how to use the library.'

ART

Mrs. Davis' class from Upchurch is displaying their arts and crafts in the library. Some of these young folks are very talented and with time and practice will be doing real well.

I know their teacher is proud of them.

Along with Mrs. Davis' display; Mrs. Elizabeth Jones is showing a display of Thanksgiving ceramics for which we are most grateful.

Everyone is enjoying this display that is in keeping with the season.

It's good to keep our display cases filled. From time to time we need you to help. Let us display your arts, crafts, and/or hobbies of every kind.

CLOSED

The library will be closed Thursday and Friday for Thanksgiving. We wish all our friends and patrons a Happy Thanksgiving.
