Sanford Speaks To Eagle Scouts

Twenty nine Eagle Scouts were omored as a part of the 1983 Eagle Scout Banquet, hosted by the Cape Fear Council, Boy Scouts of America, at the Hilton Inn. Friday might March 4.

Keynote speaker, former Govermor Terry Sanford, applauded the men on their accomplishments and commitment no excel to such a prestigious rank in Scouting.

Over 150 attended this year's banquet which was chaired by Bishop Hunley Elebash of the Diocese of East Carolina. Elebash, an Eagle Scout himself, challenged the young men to lead the country. in the future and strive to be the best they can be.

Each Scout was hosted by a community business leader who spent time with the young men giving them an overview of their parmicular career. The sponsors presented each Eagle with a special plaque to commemorate this milestone the boy had achieved.

The 1982 Eagle class was named in honor of Mr. D.M. Calhoun of Elizabethrown, Mr. Calhoun has served as a Boy Scout Council president and is a long time member of the local executive He becomes the third honoree in the Cape Fear Council following Mr. Lawrence Bowers -1980 and Mr. M.F. "Mutt" Mc-

Raw Meat, Not Good For Kitty

Dear Doctor: What is a good diet for our cats? Should we feed tihem processed cat food or raw

Amswer: Pet food come have invested millions of dollars in research and development of nutritriemailly bulanced diets. Cat foods labeled matritionally complete are good for your feline friends.

Raw ment should never be fed as it may comain potentially harmful parasites. If ment is fed, it should be theroughly cooked.

Incidentally, it also is unwise to field dog flood to cats as it is deficient in an amino acid (taurine) tihat cuts need for healthy eyes. An amino acid deficiency (thiamine) also can result if an all fish diet is fied, and this can lead to neurologic

Dear Diocsor: My cat has had an immer car infection. It required six weeks meanment for the infection to go away. However, she is still having problems with her equilibrium. Will she ever be right manin?

Amswer: It sounds as though wour can's inner ear infection has mever been controlled. A visit to your weterinarian for X-Rays is in ondier. X-mays can show the extent You And Your Pet

of involvement and the best approach to establish good drain surgically. If not treated, it is unlikely she will improve and very likely she will worsen. The inner ear infection can spread further into her brain and cause irreversible

Dear Doctor: Is it true that you can get pills to give your pet to stop

Answer: There is a drug that can be given orally called Proban that is an organophosphate. Proban kills the flea after the flea takes its blood meal from your medicated pet. Unfortunately, the flea does not die until after it has inflicted its damage.

Your veterinarian has specific recommendations to help you control fleas. Both the adult fleas and the immature forms must be destroyed to break the cycle so several treatments may be required. Common control measures include: supervised baths or dips with a medicated solution, treatment of both your pet's living quarters and its outside environment, and frequent vacuum

Empty or dispose of the vacuu bag after sweeping; otherwise the mature forms may hatch out and crawl to the outside. In some cases, the assistance of a professional exterminator may be

Cunningham Completes **Basic Training**

Pvt. Tony F. Cunningham, son of Mr. and Mrs. L.C. Cunn-ingham of 1215 Fuller St., Raeford, has completed basic training at Fort Knox, Ky.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

He is a 1982 graduate of Hoke County High School, Raeford.

HOT WATER IS COSTLY. In many homes, the water heater ranks second only to the heating system as an energy consumer. It pays to keep the water heater operating efficiently, and not to waste hot water.
