Poor Free Throw Shooting Gives Pinecrest A Victory

Poor free throw shooting "down the stretch" was a major factor in the Hoke High varsity Bucks' loss to Pinecrest last week, Head Coach Greg Killingsworth said.

"We just could not hit our free throws," Killingsworth said.

During the ballgame, the Bucks were 9 for 22 at the free throw line while Pinecrest was 27 of 31.

"We only hit 44% from the free throw line," Killingsworth said.

"That really hurt us," he added. Despite "poor" free throw

shooting, Killingsworth said he did not want his team to "dwell on it."

"We will go back to the drawing board and shoot more and more from the lane during practice," Killingsworth said.

"It is just one of those things you don't need to dwell on," he added.

Killingsworth also credits Pinecrest's full court pressure for putting the Bucks behind.

"They determined the tempo of the game with their full court pressure," Killingsworth said.

Despite the 60-55 defeat last week, Killingsworth is still "confident" in his team.

"There have been a whole lot of little things...injuries and sickness...that have hindered our play," Killingsworth said.

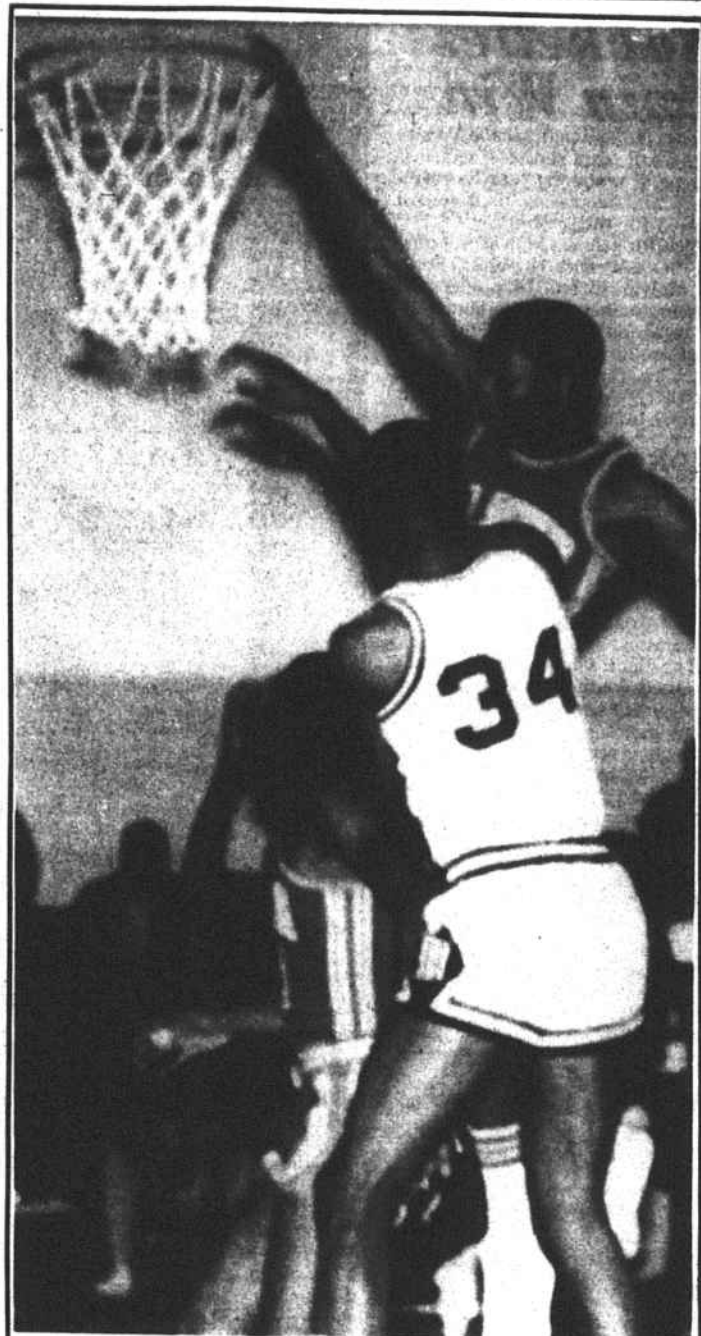

With key players Tony McRae and Preston Ross seeing very little action due to sickness, Killingsworth has gone to his bench for help and support.

"Ronnie Melvin gave us a big lift the other night, coming off the bench and scoring 12 points," Killingsworth said.

"If we can get everybody well down the stretch, I think we can still be a strong opponent," he added.

The Bucks hold a 6-7 overall record and a 1-4 conference status this season.

Tony McRae led the Bucks last week against Pinecrest, scoring 16 points. Barrett Easterling scored 15, Ronnie Melvin scored 12, Preston Ross added six points while James Graham, Marco Pickett and John McDuffie tossed in a shot, scoring two points each.

Where is the ball?

Although Hoke player Tony McRae (#34) and two recent opponents appear to be struggling for possession of the basketball, it looks as if no one is really sure what happened to the ball. Despite McRae's 16 points in the game against Pinecrest, the Bucks were defeated 69-55. Last week's loss gives the Bucks a 6-7 record for the season and a 1-4 conference record. In a home game last Wednesday night, the ninth-grade girls' team took Lumberton by surprise, defeating them 54-44.

Hoke's Jackie Hunt provided the defensive spark during the Lumberton game while teammate Teresa Ketton ignited the offensive fireworks, leading the girls to their 11th victory of the season.

High scorers in Wednesday night's game were Ketton and Thelma Watkins, both with 21 points a piece.

The Hoke girls also scored a marginal victory against East Lee last Monday night, defeating their opponents 65-54.

Watkins was the key offensive player in the game, scoring 22 points during the night.

Hoke's Jackie Hunt, April Armstrong and Rosaline Day each scored 11 points to put the ninth-grade girls on top.

The ninth grade boys' team also pulled off wins last week to increase their record to 7-4 for the season.

In Monday night's game against East Lee, the Hoke boys crushed their opponents 71-55 but barely slipped past Lumberton Thursday night, winning 39-37.

JV's Capture Win Over Pinecrest

The Hoke High Junior Varsity Bucks improved their record to 9-2 for the season as they barely inched out Pinecrest 40-38 last Friday night.

"The entire play of our bench made the difference in the ballgame," Drawhorne said.
