

**Students visit library**

Darlene Clark's fourth grade students visited the Hoke County Public Library last Wednesday morning to do research for the "Facts Pacs" that they are working on for a special project. Elizabeth Burgess, county librarian, instructed the students in the use of the card catalog, reference books, vertical file materials, and periodicals. The students were able to find many excellent sources that will aid them in the production of the "Facts Pac". Teachers and students are encouraged to use the public library as a resource. The library staff will be delighted to assist students in their research efforts. Darlene Clark and her students are from South Hoke Elementary School.

**Crafts Display Is Hit**

By Elizabeth Burgess  
We want to thank Betty Gill for allowing us to display some of her crafts from her shop in the library display case. We enjoy having Betty share her talent with us and our patrons. We want to thank also Elizabeth Jones, owner of Chic Ceramics, for the beautiful Valentine display. We appreciate Elizabeth's generosity in allowing us to display her crafts.

Darlene Clark's fourth graders from South Hoke Elementary School visited the library last Wednesday morning.

The students are doing "Facts Pacs" on different topics from North Carolina History. They made use of the card catalog, reference section, periodicals, and vertical file.

The library staff enjoyed having these young people in the library and hope they will return soon. We invite school groups and classes to arrange a time to come use the public library. We look forward to

**Library News**

the visits and being able to assist in student research.

Betsy McNeill, who is our newest member of the library staff, is really working hard in the area of children's services. She is planning story hours, programs, and workshops for pre-school and school age children. She is doing an excellent job and we are delighted to have her working with us. We are getting ready to plan for our Summer Reading Program. Any ideas or suggestions you have, please pass them on to Betsy.

Chris Watkins and Olive Jenkins are going to present a concert in the conference room at 4:00 p.m. on Friday, March 2. Please plan to be with us for an afternoon of music.

Olive will play the harp and Chris will play the piano. We are looking forward to their coming, and we hope you will plan to join us.

**3 Black Walnut Trees Offered By Arbor Group**

The National Arbor Day Foundation is giving three free Black Walnut trees to new Foundation members joining during February.

The free trees are part of the Foundation's effort to promote tree planting throughout America.

Black Walnut trees were chosen for this campaign because of their value and versatility, according to the Foundation. The Walnut trees bear sweet, edible nuts, and they are also used for shade trees, growing to 80-100 feet.

The Foundation makes its spring shipments between February 1 and May 31, depending on the local climate and this year's weather. The trees are guaranteed to grow, or they will be replaced free by the Foundation.

To become a member of the Foundation, and to receive the free trees, a \$10 membership contribution should be sent to FREE WALNUT TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by February 29.

**Bernhardt Leaving Raeford To Head Forrest City Plant**

Raeford Menswear Dyeing Plant Manager Gib Bernhardt has been transferred to Forrest City by Burlington Industries, a company spokesman said.

The move is part of several organizational shifts made at the plant in Raeford.

Bernhardt has been named Plant Manager of the J.C. Cowan Plant located in Forest City. He joined the Dyeing Plant in 1968 and has served as Plant Manager since 1974.

The J.C. Cowan Plant is also part of the Menswear Division.

Frank Sessoms, Production Superintendent, has been named Plant Manager of the Dyeing Plant, replacing Bernhardt.

Sessoms has been at the Dyeing

George King

Frank Sessoms

Plant since 1972 and has served in several capacities prior to his new assignment.

George King has been named Production Superintendent repor-

ting to Sessoms.

King has been with Burlington Industries since 1963 and has served in several locations prior to joining the Dyeing Plant in 1972.

**White promoted**

Ralph E. White has recently been promoted to Production Manager of the Raeford Plant, Menswear Division, Burlington Industries, Inc. He was assigned to the Raeford Plant in 1976 as Department Manager of Weaving. White joined Burlington in 1968 as a Manufacturing Management Trainee at the Worst Plant in Drakes Branch, Virginia. Between that time and his arrival at Raeford he held positions as supervisor of Weaving, Winding, Twisting and Spinning; Department Manager of Sample Manufacturing with responsibilities for Weave, Preparation and Cloth; and Superintendent of Sample Manufacturing. He is a native of Yan, West Virginia and 1965 graduate of Marshall University, Huntington, West Virginia. He taught school and was an athletic coach in Logan County, West Virginia prior to joining Burlington. White is married to the former Nancy Surratt of Wharton, West Virginia.

**Getting focus**

Instructor Ross Mann (center), and students Douglas Terrill (left) and Bonnie Israel (right) prepare to capture forever on film a longleaf cone on the Sandhills campus.

**Sandhills Offering Photography Course**

Sandhills Community College will offer its Intermediate Photography course this spring quarter on Tuesday and Thursday evenings from 7-10 p.m. in Room K136 beginning February 28. This class carries four credit hours or may be taken as an audit.

Intermediate Photography is an in-depth study of principles of photographic composition, advanced flash techniques, special black and white processing, pro-

fessional methods, and litho work. Students should have some photographic experience, preferably an introductory course in photography, and will be required to supply their own cameras.

For more information, contact the Director of Admissions at Sandhills. Phone 692-6185, or toll-free, 1-800-682-1848.

**Project Manager**

Terry D. Houston has been named Project Manager for the expansion and modernization project at the Raeford Plant of Burlington Industries. Prior to this assignment Houston was the Plant Industrial Engineer for the Raeford Plant, a position he accepted in December 1979. He is a native of Winston-Salem and received a B.S. degree in Industrial Management from Clemson University in 1968. He joined Burlington Industries as an Industrial Engineer Trainee upon graduation from Clemson and has held various I.E. positions in the Industrial and Menswear divisions for the past 15 years including a short assignment in manufacturing. He is married to the former Susan Singleton of Pickens, South Carolina. They have a son and a daughter and live in Raeford.

**Williamson Decorated**

Newly promoted Sp5 Stephen E. Williamson, son of Andrew and Mary E. Williamson of 802 N. Poplar Street, Aberdeen, has been decorated with the U.S. Army Commendation Medal at Fort Bragg.

The Army Commendation Medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service in the performance of their duties on behalf of the Army.

Williamson received the award for service in the Grenada operations.

He is a medical specialist with the 82nd Airborne Division.
