

Michael Jordan flying high
This shot of University of North Carolina basketball player Michael Jordan taken during a game with Virginia was a strong contender in the People

category. The photograph was taken by Marty Harris of Statesville. Another Harris print was the winner of Best In Show.

The QE II
The judges noted that the worker in this photograph of the QEII under construction helped to make it the winner of the Historical division. The

photo was taken by Glenn Suttentfield of Fuquay Varina.

Picture North Carolina is on display at the Hoke County Library through May

Mom deserves top honor
The most unlikely thought I can imagine is a Mom on Mother's Day without an appreciative family. Without rival, you, Mom, are the glue that bonds, the balm that soothes, the servant that serves. You're the counsellor that counsels, strength that rarely wavers.
You're worthy of top honor. How is it that the supposedly "weaker spouse" is become a pillar of strength? Who can conceive the value of this woman?
To you, Mom, from your Pharmacy Center - Congratulations this Mother's Day! You deserve top honor!
