## The big catch

This young Bambino League catcher shows what he's got in last Tuesday's game. His stretching catch just proves the saying "the more you sweat, the more you get."

## Carpenter jumps 2nd in state track meet

Hoke High School's Terrell Carpenter gave the county and the school one more thing to be proud of last Friday by placing second in the long jump during competition held in the State Championship Track Meet.

Carpenter, a sophomore, had a lot of pressure on him, according to Coach Howard Barkley.

"He started the meet off with seven jumpers ahead of him," Barkley said.

This pressure caused him to "scratch" on his first attempt, said Barkley.

On his second jump, Carpenter appeared to have come to terms with the pressure.

He jumped 22 feet and 10 inches to break his own school record.

His final jump of the preliminaries proved to be his best with a distance of 23 feet, 10.75 inches.
