Pet adoption inducements being offered

In an attempt to get more animals adopted from the Raeford/Hoke Animal Shelter, the Raeford Clinic is offering some special rates for routine animal care.

Dr. Russel Tate is offering the special prices.

When a pet is adopted the Humane Society will issue a certificate saying the animal came from the shelter.

One must only present this certificate to the clinic to receive the special rates.

The animal will receive a distemper shot and worming free and will get a reduced rate on rabies shots.

A fee of \$34 will be charged for spaying female dogs; \$18 will be charged for neutering male dogs.

It will cost \$18 for females and \$12 for males to have the sterility operations performed on cats.

There are many animals at the shelter who would love a home.

Joins Burlington
 William S. (Bill) Carver joined the Burlington Menswear Dyeing Plant on June 25 as a Management Manufacturing Trainee. He is a native of Durham and is a graduate of North Carolina State University with a Bachelor of Science degree in Economics.
