Cub round-up set for county Thurs.

All young boys who are eight, nine, or 10 years of age and are interested in becoming Cub Scouts are invited to attend one of four Cub Scout Round-ups on September 20. The Round-up will begin at 7 p.m. at West Hoke, South Hoke, Scurlock and McLaughlin. A parent or guardian must accompany the interested Cub Scout. Cub Scouting is a part of the Boy Scouts of America. Being a Cub Scout helps to prepare a young boy to become a Boy Scout. Boy Scouting is celebrating its 75th Anniversary during 1984-1985. Volunteers are also needed and are invited to attend the Round-Up on September 20th.

Hoke County SHARE trying to meet needs

When someone close to us dies or becomes very ill, it affects us whether we realize it or not. Trauma can latch onto a person as the result of many things. The divorce of parents, the death of a child, the untimely death of any loved one are just a few of the things that can throw one's emotions into turmoil. There is a group operating in Cumberland, Hoke and Moore counties that offers relief from these emotions by sitting down and talking to other people who have gone through it. The group is called Sharing of Hopes, Anxieties, Realisms and Expectations (SHARE). It is a non-profit organization and the groups that meet to discuss a topic are small and informal. The comfortable thing about SHARE is that all the members of a group have experienced the same thing, and the leader of a group must have had the same dealings as the group participants. There are groups for whatever is needed, said Connie Lindsay, SHARE representative in Hoke County. For more information about SHARE and the times and places of group meetings, call Lindsay at 875-2954.

Scouts honored at Picnic

In a recent picnic and ceremony, Cub Scout Pack 404 gave out awards for June and July. Parents joined in on the picnic as many of Raeford's Cub Scouts were honored. Just starting their scouting careers, John Williams and Darrell Barrett earned the Bobcat award. A little further down the road in Cub Scouting, Michael Hedgpeth, Brad Martin, Stephen Janos, Todd Davis, Tobi Baker and Patrick McNeill have earned their Wolf badges. The highest award a Webelos can earn in the Arrow of Light. Todd Branch was given this honor. On the way to earning the Arrow of Light, Webelos have to earn specialized badges to advance.
