

# Grandparents spend day at J.W. Turlington School

In honor of National Grandparent Day, September 9, the faculty, staff, and student body of J.W. Turlington School invited their grandparents to spend a day at school, on September 12. It was an exciting time for all. The grandparents expressed delight at receiving such a treat.

The turnout was great. Approximately 35 grandparents attended the gala festivities. The grandparents were given a chance to visit with the teachers and the student body. They were able to visit the different classrooms and eat lunch with their grandchildren.

As the day's activities came to an end, all grandparents seemed to echo a general consensus of an air of hospitality. The grandparents expressed their thanks for the joyous reception from the school and their deep appreciation for the excellent behavior of the student body.
