(Continued from page 6B)
To Have Success With Cookie Making Avoid These Points:
•When cookies are too thick, you have:
a. Added too much flour.
b. Not rolled them thin enough.
c. Used too much leavening.
•When cookies are too soft, you have added too much liquid. Too much sugar melts and increases the liquid. Too much fat melts and increases the proportion of liquid.

Cookie Dough That Crumbles or Splits:
•The fat required for a rich dough makes it very short and likely to split or crumble when rolling.
•Dough may be too cold.

Cookies That Spread In The Pan:
•Many cookies contain very little moisture, the sugar has not been dissolved and when the sugar melts in the oven, it makes the cookies spread.
•Greasing the pan too heavily.
•Too much soda or baking powder.

Cookies That Stick To Pan:
•Pan is not greased sufficiently.
•Pan is not properly cleaned.
•Too high a proportion of caramelizing ingredients - milk and/or sugar.
•Excessive heat in bottom of oven.

DATE-NUT PINWHEELS
Store no longer than 2 weeks. Makes about 5 dozen cookies.
1/4 lb. pitted dates, chopped
1/2 cup water
1/2 cup shortening (half margarine or butter, softened)
1/2 teaspoon vanilla
1/4 teaspoon salt
1/2 cup granulated sugar
1/2 cup chopped nuts
1 cup brown sugar (packed)
1 egg
1 1/4 cups all-purpose flour*

Cook dates, granulated sugar and water in saucepan, stirring constantly until thickened slightly. Remove from heat, stir in nuts. Cool. Mix shortening, brown sugar, egg and vanilla until smooth. Stir in flour and salt; divide dough in half. Roll each half on waxed paper into rectangle about 11x7 inches; spread half the date-nut filling on each rectangle. Roll up tightly, beginning at long side. Pinch edge to dough to seal securely. Wrap and chill at least 4 hours. (Can be baked immediately.)
15 minutes before serving, heat oven to 400°F. Cut rolls into 1/4 inch slices; place 1 inch apart on ungreased baking sheet. Bake until light brown about 10 minutes. Remove immediately from baking sheet.
*Self-rising flour can be used in this recipe.

Caramel-Nut Cookies
Omit date-nut filling. Stir in 1 cup finely chopped nuts with the flour. Shape dough into rolls, 2 inches in diameter; wrap and chill at least 4 hours.

CHOCOLATE PRESS COOKIES
Measure: 2 cups sifted flour*
Blend Together: 1/2 cup shortening and 1 cup sugar, creaming well.
Add: 1 egg, 1 teaspoon vanilla, 1 teaspoon salt, 2 tablespoons milk; beat well.
Blend In: 2 squares (2 oz.) chocolate, melted and cooled, and half of flour. Mix thoroughly.
Add: Remaining flour; blend well.
Press: Through a cookie press onto ungreased baking sheets.
Bake: In moderate oven (350°F.) 5 to 7 minutes. Makes about 6 dozen cookies.
*If you use self-rising flour, omit salt.

FRUIT CAKE COOKIES
1/2 cup butter
2 cups brown sugar
3 eggs well beaten
1 teaspoon vanilla
1/2 teaspoon soda
1 tablespoon brandy flavoring
1 lb. white raisins
4 cups pecans
3 slices candied pineapple
8 oz. candied cherries
2 1/2 cups plain flour
Dissolve soda with flavoring and vanilla, cream butter and sugar, add eggs and salt. Mix nuts, raisins, pineapple and cherries with flour. Fold in ingredients and bake for 10 minutes at 350°.

For large parties, store ice and cool canned drinks in the washing machine.
